SUCCESS

Welcome to IH BRISBANE - ALS

IH Brisbane - ALS

We want your stay in Australia to be one you will remember all your life. Our friendly staff and teachers will help you achieve your goals, whether for further study in Australia or simply to learn the language. We employ only qualified and experienced English teachers, and use the most up-to-date teaching methods and techniques, with full support from your first day. You'll learn quickly under the guidance of our professional staff.

Why Australia?

Australia is unique, and has to be experienced to be believed. With its fascinating mix of cultures, from relaxing under a gum tree, to seeing AFL being played, there is something for everybody. 80% of the animals you find here don't live anywhere else in the world! Some of our best known animals are the kangaroo, koala, echidna, dingo, platypus, wallaby and wombat. At 7.69 million square kilometres, mainland Australia is the world's largest island - but smallest continent, and boasts a long history stretching back more than 30,000 years.

Why Brisbane?

Brisbane has a subtropical climate with warm or hot weather for most of the year, making the outdoor lifestyle we enjoy possible all year round, and we enjoy more winter sunshine and warmth than most other Australian states. It is the most relaxed of Australia's cities, and the pace and attitude make it perfect for study. When you are not studying, Brisbane, Queensland's state capital, is the third most populated city in Australia, and has great galleries and museums (like GOMA), entertainment venues (like Suncorp stadium) and plenty to do, see and eat! Brisbane is the perfect gateway to everything Queensland has to offer – the beaches of the Gold and Sunshine Coasts, the world famous Great Barrier Reef as well as five World Heritage listed areas.

Welcome to Brisbane and to IH Brisbane-ALS for the English experience of a lifetime.

EVERY 6 WEEKS, WE PUBLISH OUR NEWSPAPER - THE KANGA NEWS

Every 6 weeks we publish and distribute the IH Kanganews to our lovey students.
It contains lots of great things to keep our students informed of what is happening at the school and Australia.

JUMPING THE NEWS TO YOU - 15th June to 24th July

'June and July mean Origin fever in Australia, and Queensland the most!'

-What is Origin? State of Origin is a series of three Rugby League games between Queensland and New South Wales.

-Rugby what? Rugby League - the most popular type in Australia. 13 players try to score 'tries' by moving the ball down the field, by passing the ball (only backwards) or kicking. They can be stopped-or tackled-6 times before the other team gets the ball. And the ball isn't round....

-Why do we care about it? It's between Queensland and New South Wales!!!

-When is it and how do I get involved? Check the social calendar, and get together with any Australians-or Game 3 is at Suncoorp Stadium here in Brisbane.

'What is a 'level up test' and why do we do them?'

Level up tests are one of the three ways we move students up to the next level! They help us find the people who are doing well but not able to show it in class.
