## Your Pathway to a Global Career

# Bond University College

A Better Choice for  
International Students

**Variety of pathway programs** so you learn at the level that's right for you to be fully prepared for degree studies

**Small personalised classes** where you'll get to know your teachers and classmates from all over the world

**Extra hours of face-to-face lessons** makes it easier to ask questions and join discussions

**Supportive teachers and staff** who will work with you one-on-one and make sure you understand what you are learning

**Access to all university facilities** because you are part of the university community from day one

**Smooth transition to degree studies** because we support you all the way to make sure you are ready for success

**Starting in January, May or September** with our three-semester-per-year schedule means you can start when you're ready and finish your degree up to a year earlier

A photograph of three young adults walking outdoors on a sunny day. On the left, a man in a light blue polo shirt and sunglasses holds a tablet. In the center, a woman in a yellow cardigan over a blue patterned dress holds a white coffee cup. On the right, a man in a pink button-down shirt walks with them. They are all smiling and looking towards the right. The background is filled with green trees.

## Welcome

### Vice-Chancellor's Message

Studying overseas is the experience of a lifetime: living as a local in a new country; being immersed in a new culture; making new friends; seeing new horizons and being part of new adventures.

At Bond University, we will warmly welcome you as part of our global family. Our students come from more than 80 different countries. Every individual Bond student receives a personalised, transformative learning experience, amazing support from their teachers, smaller class sizes than almost anywhere else, and all in the most wonderful environment.

To ease your transition into tertiary study, we offer a range of supported pathway programs through Bond University College. Whether you need to improve your English language proficiency or require additional academic preparation, these programs provide extra hours of face-to-face teaching in small groups where you will feel comfortable asking questions and joining the discussion.

All our students enjoy full access to the university's state-of-the-art learning facilities, as well as the wide range of social and sporting activities on campus. You will benefit from the full university experience from the day you arrive.

With around 5,000 students on campus, Bond University is ideally suited for international students who don't want to get lost in the crowd. I am confident that you will experience the immense enjoyment and rewarding outcomes of studying and living on the Gold Coast as we help you prepare for a successful global career.

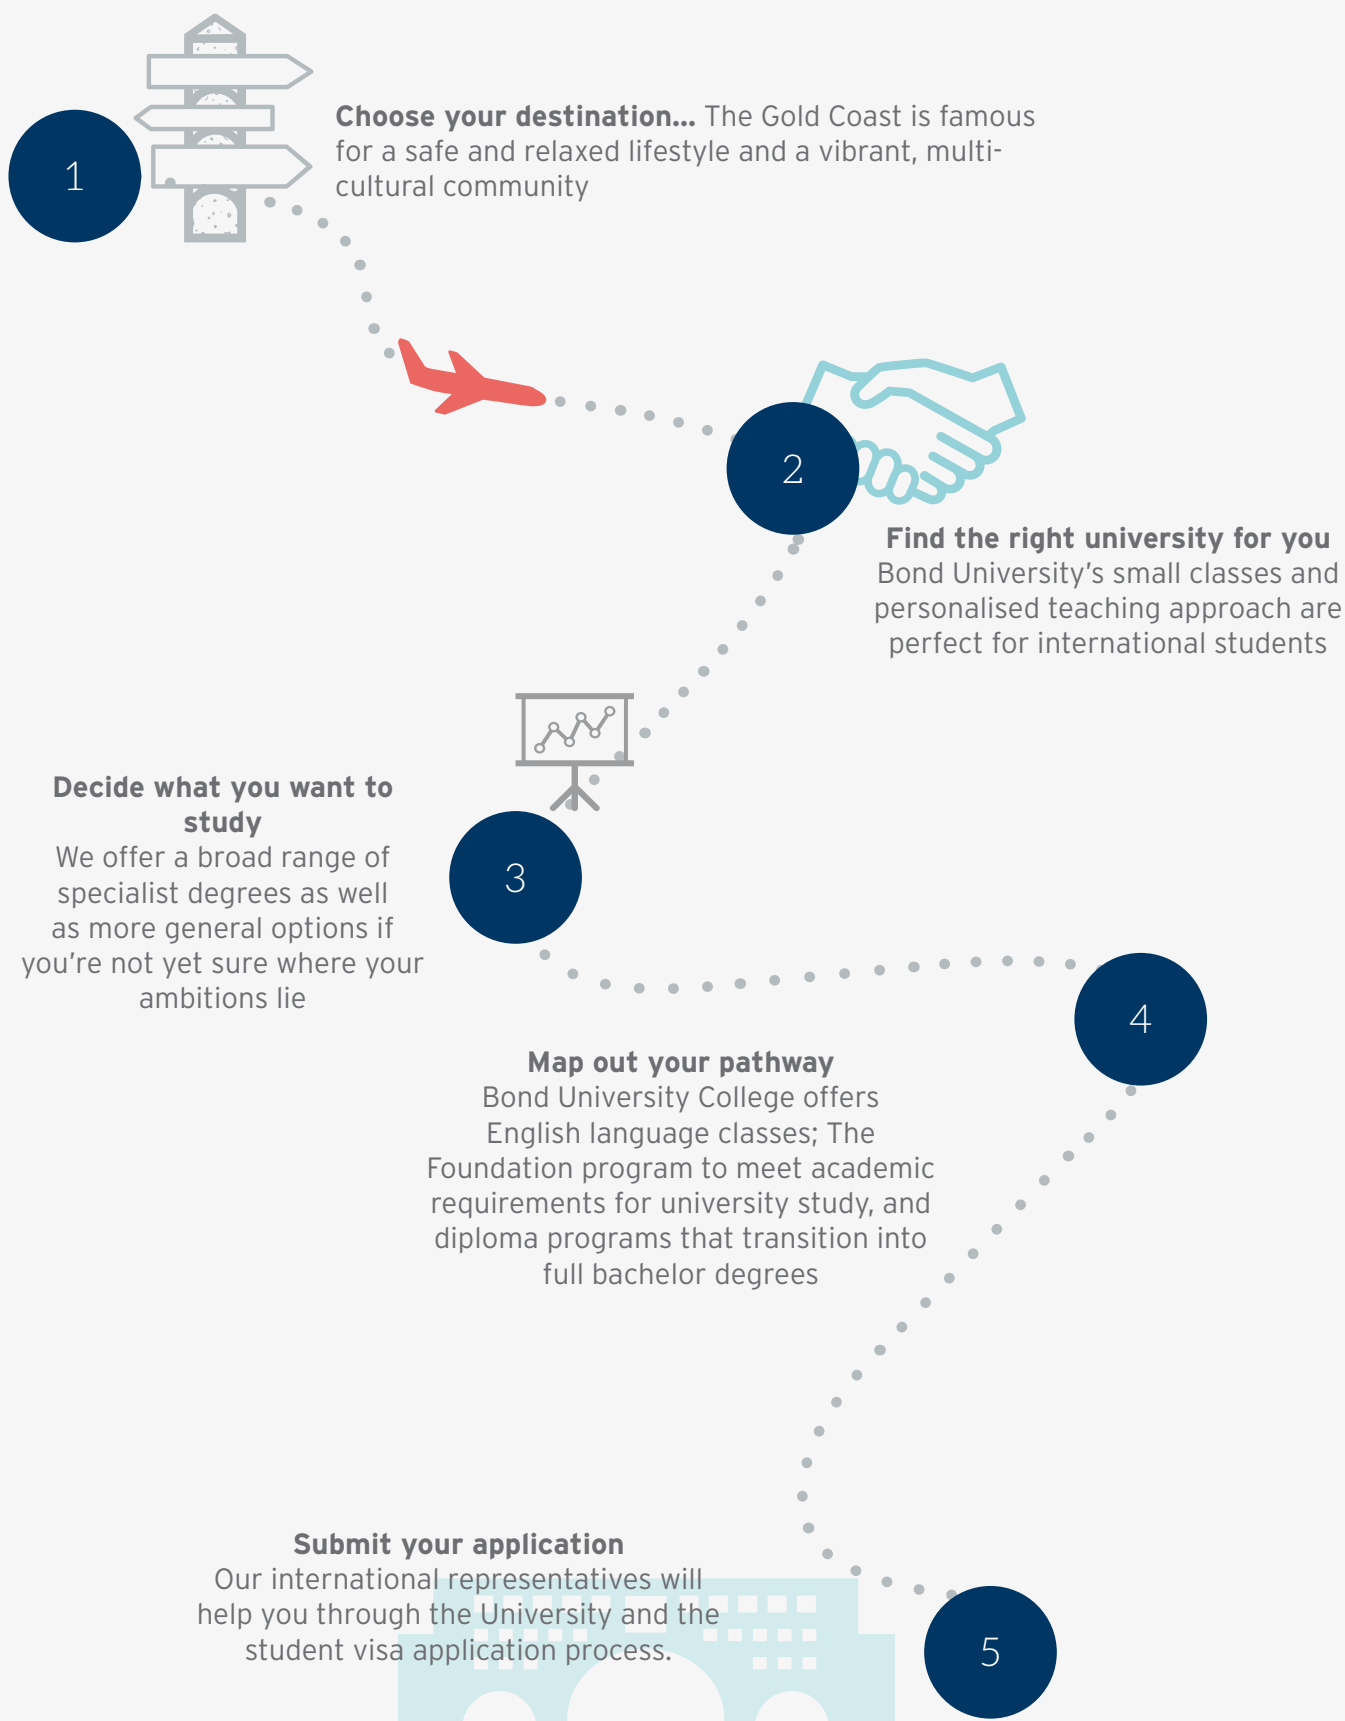

Kind regards,

**Professor Tim Brailsford**  
Vice-Chancellor and President

# Each journey begins with the first step...

“

Moving far away from home, I didn't know what to expect but everyone here at Bond is wonderful. It was easy to fit in and make friends that are like a second family to me now.

The Foundation Program has given me a new outlook on university life, where the class learning environment is very calm and interesting. It has prepared me to better know what to expect during my degree.

I am so glad to be given this opportunity and happy to have made a decision I know I will never regret.

Mona Izzeldin, Sudan  
2016 Foundation Program  
2017 Bachelor of Medical Science

**Mona Izzeldin**

“

I have received nothing but total respect from the Bond University College staff. They have been exceedingly accommodating at meeting my needs as a mature age student.

I have a degree in physical education from my home country Brazil, and have plans to study further to become a physiotherapist. I have lived in Australia for many years with my family, however with my lack of English literacy, I had been unable to further my studies and work in my field.

The brilliant English teachers at Bond have showed that achieving my dream of becoming a physiotherapist here in Australia is possible.

Bond University College provided me with a clear pathway towards further tertiary study that will allow me to reach my professional goals. Thank you, Bond, for showing me the way and supporting me into the future!

Rafael Millen Grosso, Brazil  
2016 English for Academic Purposes  
2017 Doctor of Physiotherapy

**Rafael Millen Grosso**

“

I feel privileged to be a part of the Bond University community and take pride in being a student of this fantastic institute. From my very first day on campus, I have received a warm welcome and lovely cooperation from various areas of Bond University.

Studying a Diploma program is the best platform to commence university study. It has given me the confidence that I needed after having a two-year break from study. I believe the assistance and facilities that I have access to throughout my Diploma studies have been significantly valuable for my future endeavours for further study at Bond.

I am so glad to have decided to study at Bond University and have been enjoying every moment of my study life with the Bond Community.

Subrina Sultana, Bangladesh  
2016 Diploma of Communication  
2017 Bachelor of Communication (Business)

**Subrina Sultana**

## About Bond University

### With less than 5,000 students on campus, Bond University offers a very different study experience

As Australia's leading private, not-for-profit university, our campus gives you full access to the most technologically advanced facilities – including our multi-million dollar Legal Skills Centre and award-winning Sustainable Development building – and extensive student support offering one-on-one tutoring, study workshops and an on-campus Career Development Centre.

For international students, extra help is available from our dedicated support team, English language tuition and personal counsellors.

With overseas students from 80 different countries making up 40% of our enrolments, Bond is a popular choice for students wanting an Australian study experience – rated by BuzzFeed as the #1 Best Place to Study Abroad.

Our unique Beyond Bond program takes learning beyond the classroom with internships, volunteering, global competitions, study tours, industry conferences and community service opportunities ensuring that you graduate better prepared for the workforce.

## Life at Bond

As a relatively small university, Bond University has a real sense of community and an active student social life.

### CLUBS AND SOCIETIES

There are more than 90 clubs and societies on campus where you will meet students from all over the world who share your interests. These range from international student associations and community service organisations through to drama, dance, music and photography clubs.

### SPORT

We love our sport at Bond and have a proud tradition of participating in local, state and national competitions like the Australian University Games. In 2016, we opened the new Bond Sports Centre with its state-of-the-art gymnasium and exercise rooms next to our famous Olympic-size swimming pool. The campus also features courts and fields for beach volleyball, rugby, squash, tennis, basketball, netball and more.

### SOCIALISING

When you're not in class, there are plenty of places to catch up with friends, such as the cafes and restaurants on campus. Bond offers everything from casual coffee carts through to our fine dining University Club restaurant overlooking our landscaped lawns and lake.

### SIGHTSEEING AND TRAVEL

We have our own travel agency on campus where you can book holidays all around Australia for your semester breaks. We also arrange excursions to local tourist attractions, as well as learn-to-surf lessons, stand-up paddleboarding sessions and more for our Bond University College students.

### ACCOMODATION

Student accommodation is available on campus\* in your choice of shared or private rooms, all within easy walking distance of lecture rooms, libraries and recreational facilities. We also work with an exceptional network of local homestay families who look after many of our international students.

For those who prefer more independence, we have specialist rental agents who can organise shared, family or single student accommodation for our students.

\*English Language students do not have access to on-campus accommodation. Options available for English Language students are either homestay or off-campus accommodation.

### LIVING COSTS

You should allow approximately AUD\$6,200 - \$9,000 for living costs each semester that you live on the Gold Coast. This would include costs for accommodation, food, transport, recreation, telephone, electricity and other general living expenses.

For more information, please visit [bond.edu.au/living-expenses-international](http://bond.edu.au/living-expenses-international).

# Pathways to Bond

For students who may need extra help with their English language skills or academic standings, a number of pathway programs are offered through Bond University College.

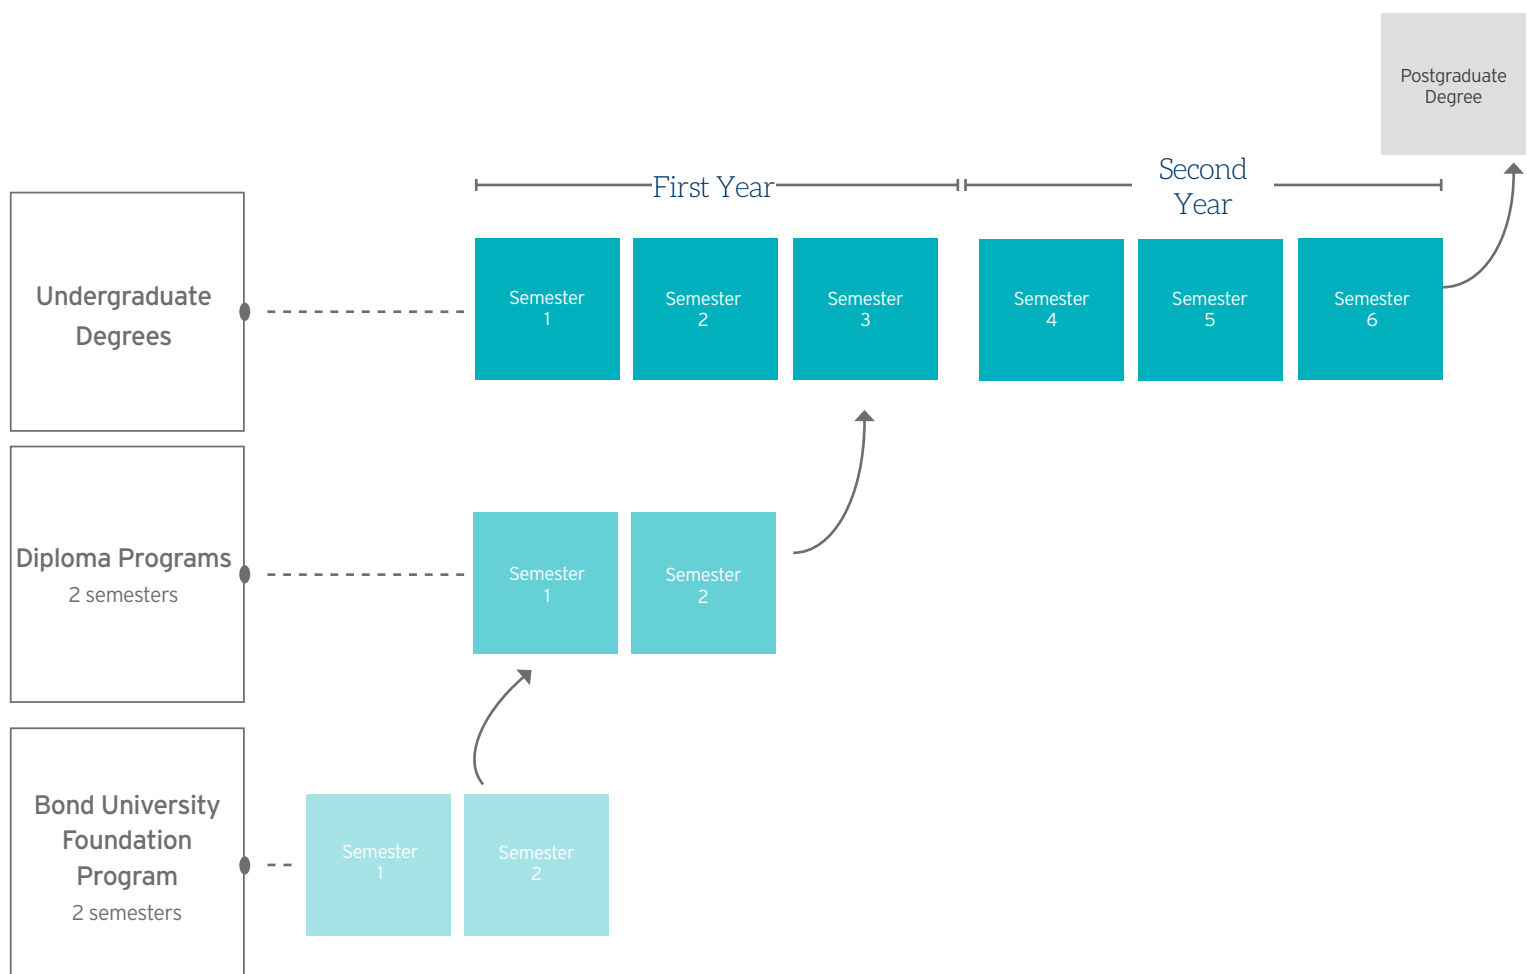

These programs offer a supported transition to university studies, with students working together in small class groups where you have one-on-one access to specialist teachers. You will also benefit from extra hours of face-to-face teaching – up to eight hours per subject per week – ensuring that you receive the support you need to thrive academically.

The College offers a number of different entry-point levels so you can be placed in a class that suits your level of ability.

Program outcomes are aligned with Bond University's course entry requirements for both English language proficiency and academic achievement, allowing for a smooth transition from your pathway programs to full degree studies.

Bond University College is located on the Bond University campus.  
College students have full access to all university resources and facilities.  
You will be welcomed as members of the Bond student cohort.

## ACADEMIC PATHWAY

## FOUNDATION PATHWAYS

### FOUNDATION PROGRAM

Entry Requirements: Completion of Australian year 11 or equivalent  
IELTS 5.5 (no band less than 5.0)

Duration: 2 semesters (8 months)

Intakes: January, May, September

The Bond University Foundation Program has been specifically designed for international students. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers with small class sizes and access to state of the art facilities. The Bond University Foundation Program meets the requirements for Foundation Programs, which have been registered on CRICOS for delivery in Australia to overseas students. The Program provides an academic preparation for students seeking entry into first year undergraduate study. The Foundation Program comprises eight subjects, as follows:

- Academic Skills
- Foundation English 1
- Foundation English 2
- Foundation Maths
- Introduction to Multimedia
- Organisational Communication and Behaviour
- World History and Politics

Plus one of the following:

- Elementary Maths\*
- Introduction to Economics
- Social Anthropology

\*Elementary Maths is a prerequisite for the Bachelor of Biomedical Science and the Bachelor of Exercise and Sports Science. It should only be taken by students intending to pathway into Health Sciences.

**FURTHER STUDY:** Successful completion of the Foundation Program will guarantee students a place in most Bond University higher education diplomas and bachelor degrees, depending on the entry requirements.

Please note that there is no direct pathway from Bond University College into the Bachelor of Medical Studies / Doctor of Medicine program.

## DIPLOMA PATHWAYS

### DIPLOMA PROGRAMS

Entry Requirements: Completion of Australian year 12 or equivalent  
IELTS 6.0 (no band less than 5.5\*)

Higher education diplomas are designed for students who have identified their chosen course of university study. The College's integrated learning model means that you will join in lectures with university professors and undergraduate students, supported by tutorials and classes specifically tailored for you in the diploma program.

The diploma structure is fully aligned with Bond's undergraduate studies so you can complete the diploma level subjects in two semesters and go straight into the third semester of your chosen degree.

All diplomas offer intakes in January, May and September, and will take eight months (two semesters) to complete, studying full-time.

### PROGRAM STRUCTURE

Diploma programs comprise eight subjects, each worth 10 credit points. Upon successful completion of your diploma, these points / subjects will be accredited towards your further studies.

*Academic skills* - All diploma students must complete the Academic Skills subject (0 credit points) between Weeks 2 and 6 of their first semester. This intensive course will equip you with key skills required for successful study including essay writing, note taking, referencing and time management.

*Core subjects* - All diploma students complete the following core subjects (10 credit points each):

- Critical Thinking and Communication
- Ethical Thought and Action
- Introduction to Global Citizenship
- Leadership and Team Dynamics

\*Diploma of Legal Studies requires IELTS 6.0 (no band less than 6.0).

## How To Apply

### APPLICATION

You must lodge your application with the University by completing the Bond University Application Form available online at [bond.edu.au/apply](https://bond.edu.au/apply) or from your local in-country representative, please note there is no application fee for Bond University. All applications should be accompanied by certified / notarised copies of supporting documentation as well as official translations if applicable. Evidence of English language proficiency is required if English is not your first language. Documents should be sent to arrive no later than one month prior to the commencement of the relevant semester. However, it is recommended that they be sent at least three months before your starting date to ensure visa formalities are in place before arriving.

Applicants who do not provide all documentation may experience delays in processing.

### HOW WE ASSESS YOUR ENTRY

International students applying to Bond University need to satisfy academic entry requirements and English language requirements. Students with tertiary or professional qualifications may be eligible for credit towards a Bond University undergraduate or postgraduate degree. Additionally, Bond provides detailed information in relation to determining Secondary School Equivalents, refer to [bond.edu.au/apply](https://bond.edu.au/apply).

### ENROLMENT PROCEDURES

Successful applicants will receive a formal Letter of Offer, Financial Capability Declaration form accompanied by a Response to Offer form and information on fee payments, accommodation and health insurance. To accept your place, return the Response to Offer form, your signed Financial Capability Declaration form, your payment (in Australian dollars) for your first semester's tuition fees and your Overseas Student Health Cover (OSHC) payment to the Office of Admissions. For more information on accepting your offer, visit [bond.edu.au/accept](https://bond.edu.au/accept).

An Enrolment Guide and information about Orientation Week will be available on the Bond website approximately one month prior to semester commencement. Once you have accepted your offer you can enrol in your subjects online via eStudent at any time prior to or during Orientation Week. The balance of your semester's fees must be paid to Bond University prior to Orientation Week.

### ENTRY REQUIREMENTS

Please visit [bond.edu.au](https://bond.edu.au) for all entry requirements.
