OUR ALLIANCES WITH SOME OF AUSTRALIA'S TOP UNIVERSITIES AND HIGHER EDUCATION PROVIDERS INDICATES THAT OUR GRADUATES ARE RECOGNISED FOR THE QUALITY OF EDUCATION AND TRAINING THEY RECEIVE AT TAFE QUEENSLAND.

In most instances, you can seamlessly enter a university degree after completing one of our diploma or associate degree courses without needing to reapply. This is called a dual award and means that you are guaranteed entry into university and will graduate with two qualifications – a diploma and a degree. In most cases you get at least a year's academic credit towards a degree in a related field.

CREDIT TRANSFER

Our pathways and partnerships with leading universities mean you can use your studies at TAFE Queensland to gain credit for university degrees in a related field. For example, if you complete a Diploma of Information Technology at TAFE Queensland and later decide to go to university, you could apply for academic credit towards a Bachelor of Information Technology. In many cases, this credit can be a much as one year of your university degree.

Please note: Specific entry requirements may apply in some circumstances. Please refer to the relevant university for more information.
