JOIN A UNIVERSITY LIKE NO OTHER

Thanks for taking the time to explore CQUniversity Australia. Youthful, entrepreneurial and heavily focused on social innovation – we're committed to your academic success and enhancing your international student experience.

I'm sure you'll be amazed at what we have to offer including a wide range of courses, pathway options and a chance to study at locations right across Australia.

We are aware of your individual circumstances and believe the best learning experience you can have in Australia is one built around models of outcomes-based education and delivered in supportive environments.

That is why we are leaders in industry engagement, which allows us to incorporate internship opportunities into our most popular courses so you can gain practical work experience and establish professional networks before graduation. What's more, we invest heavily in our international student support services to ensure you are supported both academically and personally throughout your studies and that your time in Australia is an enriching and inspiring one.

I invite you to experience our culture, lifestyle and people and look forward to welcoming you to CQUniversity.

Scott Bowman

Professor Scott Bowman
Vice-Chancellor and President
CQUniversity Australia

OUR LOCATIONS

Every campus has its own characteristics, catering to individual lifestyle preferences. Whether you enjoy a campus with lush parklands and a short distance away from pristine beaches; or a bustling, multicultural campus with easy access to the best of city life, you will find one that suits you.

ADELAIDE

Adelaide is a culturally rich city known for its festivals, food, wine and café culture set in historical architectures and parklands. Home to the Appleton Institute and other facilities including a sleep laboratory and an interactive rail simulator, our Adelaide campus is a perfect ground for research students.

BRISBANE

Located in Queensland's capital city, our Brisbane campus is in the midst of world-class galleries and shopping, a booming live music scene and a fabulous café culture – giving students the best of city living. With a dedicated student services floor, the campus offers a greater sense of support and community.

MELBOURNE

Conveniently located opposite Southern Cross train station, our Melbourne campus offers students the best of everything; shopping, public transport, nightlife, laneway streetscapes, and sporting and cultural festivities. Our students enjoy the strong and inclusive student community on campus and the city's diverse cosmopolitan atmosphere.

SYDNEY

Located in the business and finance engine of Australia, and a short stroll to the iconic Sydney Opera House and Darling Harbour, our Sydney campus offers a large selection of courses for our diverse student cohort. Students enjoy studying in this fast-paced city and being immersed in its flourishing arts scene and cosmopolitan atmosphere.
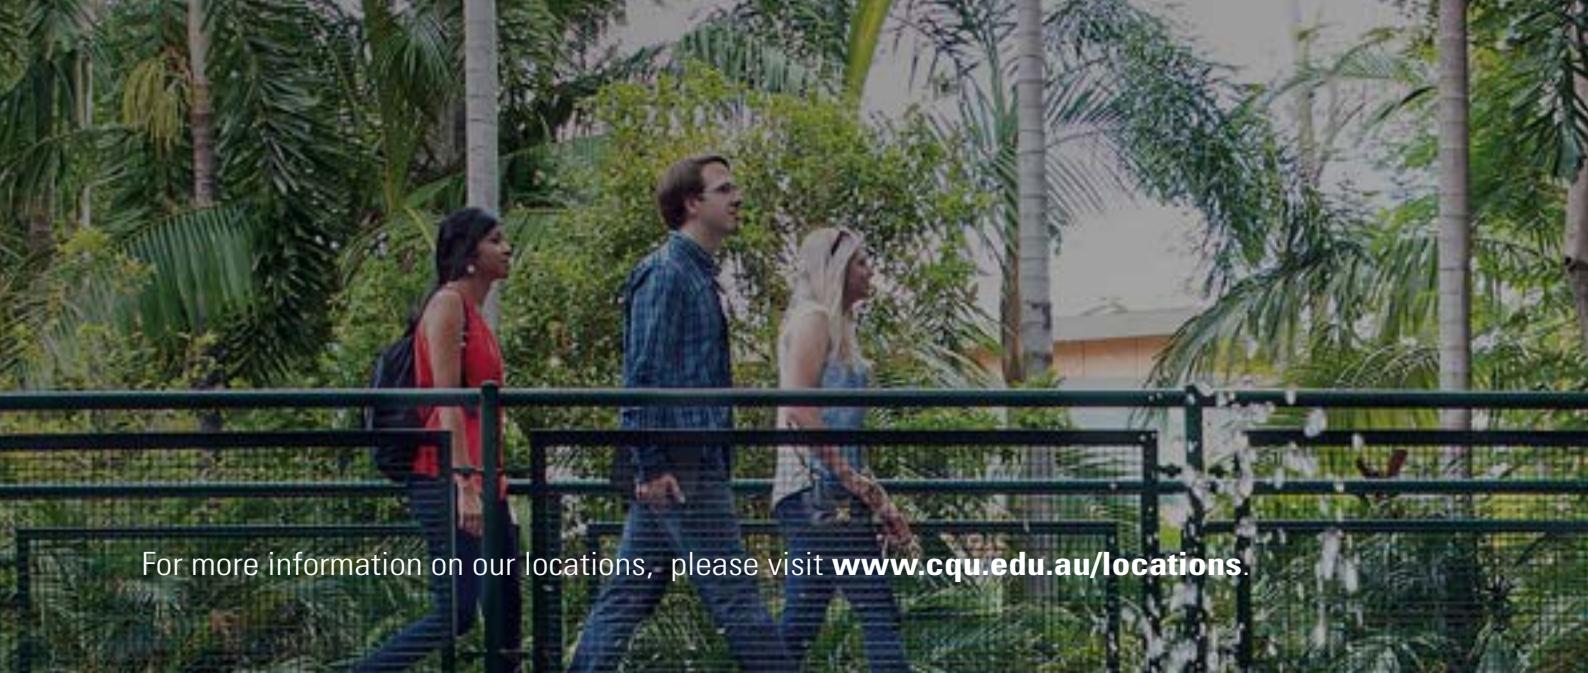

PERTH

CQUniversity's newest campus is located in the vibrant Perth central business district. Located a short walk away from Elizabeth Quay, the campus offers students state-of-the-art facilities in the heart of Western Australia's capital. Perth is known for being the 'City of Light' and holds the record for being Australia's sunniest capital city.

For more information on our locations, please visit **www.cqu.edu.au/locations**.

BUNDABERG

Bundaberg is located in the agricultural belt of Queensland, making it an ideal campus to study agribusiness and horticulture. The campus boasts multimedia and sound studios, and interactive electronically transmitted lectures to integrate with other campuses.

CAIRNS

Located near the beautiful Cairns Esplanade parklands, our Cairns campus boasts modern study and recreational spaces where students can enjoy natural light and spectacular sights of the waterfront. Cairns is a perfect gateway for students to explore World Heritage wonders including the Great Barrier Reef and Daintree Rainforest.

GLADSTONE

The Gladstone area is a region of diversity – tourism, community and industry co-exist in harmony, retaining an agreeable lifestyle and environment balance. Our picturesque Gladstone Marina campus is located next to the harbour and houses the University's Engineering and Environment Management Complex dedicated to engineering research and training.

MACKAY

Our resort-style Mackay Ooralea campus boasts modern teaching facilities, a student residence and the internationally-regarded Central Queensland Conservatorium of Music, perfect for performing arts students. Our Mackay City campus delivers vocational courses with onsite training facilities in hospitality and nursing.

NOOSA

Noosa is situated on the edge of a UNESCO Biosphere Reserve, making the Noosa campus an excellent place to study conservation and the environment. The campus also offers courses in allied health and education, and practical learning is delivered through onsite clinical laboratories and collaborative learning spaces.

ROCKHAMPTON

CQUniversity's Rockhampton North campus has all the facilities and services one can expect from a renowned university. It boasts modern engineering and health precincts, sporting facilities, a student residence and a multi-faith centre.

TOWNSVILLE

Townsville is the largest tropical city in northern Queensland, approximately four hours driving distance south of Cairns. The region is home to scenic rainforests and unspoilt beaches; and a gateway to the delightful Magnetic Island, the Great Barrier Reef and the Whitsundays.

COURSE INFORMATION

CQUNIVERSITY AUSTRALIA

The year 2017 marks 25 years since CQUniversity was granted University status in 1992. Rated among the World's Top 100 Young Universities* by the prestigious *Times Higher Education* (THE), we have well and truly emerged to become one of Australia's great universities recognised for its learning and teaching, inclusiveness and research.

AN INTERNATIONAL OUTLOOK

International students have contributed greatly to CQUniversity over the years, enriching the university culturally, academically, and contributing to its long-term growth. The concept of international activity is not new to CQUniversity. Over the past 25 years, CQUniversity has grown from a small institution focused on education and industry in regional Queensland, to a multi-campus, multi-city university focused on preparing highly diverse learners for internationally-engaged and effective professional practice wherever they may be situated.

QUALITY EDUCATION FOR EVERYONE

We welcome students from diverse cultural backgrounds, geographic locations and social-economic contexts. We continue to be Australia's most accessible and inclusive university, ensuring that a quality education is accessible to everyone by offering seamless pathway options for career progression at competitive and affordable fees.

RESEARCH WITH REAL WORLD OUTCOMES

We strive to achieve relevance in our research goals through links with industry, business, government and the community, and through collaboration with national and international researchers and research networks. Our research focus is in priority areas that directly contribute to the support and revitalisation of community health, sustainability and education.

THE CQUNIVERSITY ADVANTAGE

BECOME AN ACTIVE LEARNER

Our students receive a variety of support services to assist their development as confident and independent learners. The Academic Learning Centre offers a range of workshops, courses and online resources for both on-campus and online students. These include:

- » reflective writing
- » work and oral presentation tips
- » note taking
- » referencing
- » study techniques and exam preparation.

MAKE FRIENDS FROM AROUND THE WORLD

CQUniversity has over 30 000 students approximately 5000 of which are international students from 115 countries. There is always something happening on campus with a variety of social and cultural events for our diverse student cohort throughout the year.

MAXIMISE YOUR CAREER PROSPECTS

Internships, clinical and industrial placements and work integrated learning are embedded in our most popular courses. These practical components complement your theoretical knowledge so you graduate with the skills that employers seek and give you a competitive edge over your peers in the job market.

MAKE A DIFFERENCE

We believe that the more you give, the more you gain. By studying at a university that is heavily focused on social innovation, you will learn in a supportive environment where talent for social change and making a difference is nurtured and developed.

EXPERIENCE ANOTHER COUNTRY

As a CQUniversity student, you can broaden your experience by studying for a term or two at one of our partner institutions located in over 30 countries across six continents. We have over 100 global partners and a member of the International Student Exchange Program network of universities.

RECEIVE CAREER GUIDANCE BEYOND GRADUATION

CQUni Careers offers career support services to students as well as graduates. The team is dedicated to helping you build employability and job search skills as you prepare to be work ready in your chosen career. Current students are also able to access the online portal, CareerHub, to search for casual or part-time vacancies and Career Connection, our new careers mentoring program that connects alumni with current students.

SCHOLARSHIPS

Scholarships are available to international students wishing to undertake a degree at CQUniversity in 2018. You may also be eligible for scholarships funded by the Australian government. We encourage you to check all scholarship options that you may be eligible for.

CQUNIVERSITY INTERNATIONAL STUDENT SCHOLARSHIP

The International Student Scholarship is a general scholarship and you may choose your preferred course and study location for this scholarship.

Eligibility

International students wishing to undertake an academic course at at CQUniversity are eligible for this scholarship. Applicants must have attained an overall grade of 75 per cent in their previous studies.

Scholarship Value

20 per cent reduction in tuition fees for the course duration provided the required overall grade is maintained.

How to Apply

Applications for the International Student Scholarship must be made when applying for your academic course through iStart, our online application system. When you apply for your preferred course, please indicate that you would like to apply for the International Student Scholarship.

Example of Scholarship Value

Jenny is studying the Bachelor of Business course at CQUniversity and has been awarded the International Student Scholarship. Provided she maintains the overall grade required to maintain the scholarship throughout her course duration, she would have saved AU$ 15 354.

	YEAR 1 (AU$)	YEAR 2 (AU$)	YEAR 3 (AU$)
Course fee	25 590	25 590	25 590
Scholarship value	5118	5118	5118
Reduced fee	20 472	20 472	20 472
Cumulative scholarship value	**5118**	**10 236**	**15 354**

Scholarship value is indicative only and does not take into account annual course fee increments which may occur. The final course fee payable per term will be determined by your selection of units.

AUSTRALIAN GOVERNMENT

Endeavour Scholarships and Fellowships

The Endeavour Scholarships and Fellowships are competitive, merit-based scholarships that bring top international students to study at Australian institutions.
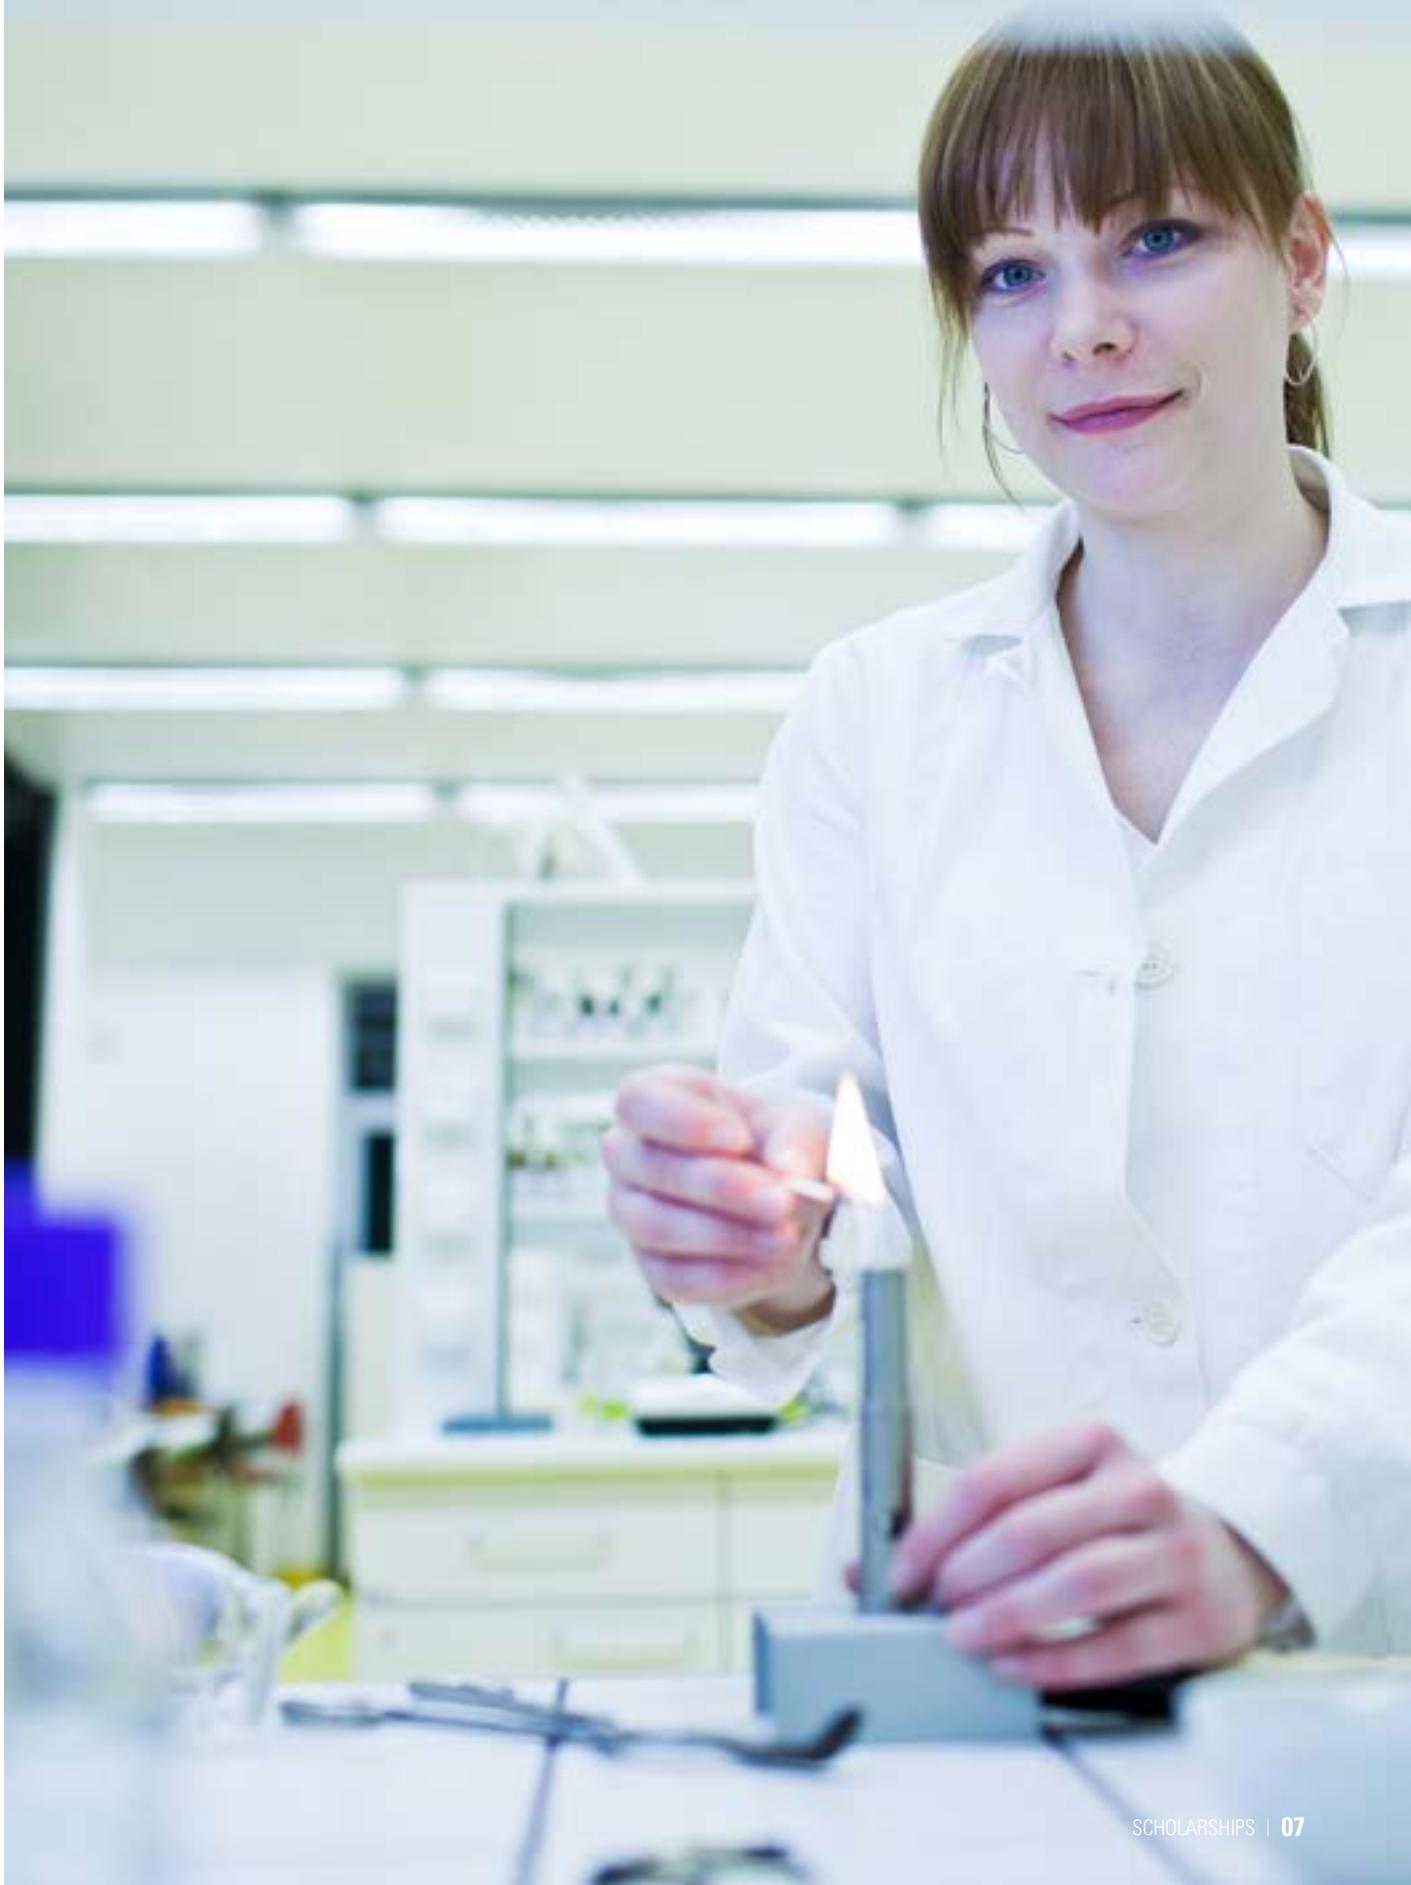

For more information visit **www.internationaleducation.gov.au/endeavour**.

Australia Awards Scholarships

The Australia Awards Scholarships provide opportunities for people from developing countries to undertake study at participating Australian institutions.

For more information visit **www.australiaawards.gov.au**.

FACILITIES

All locations feature modern, state-of-the-art teaching and learning facilities with well-equipped study areas as well as recreational spaces to socialise, allowing for greater integration and inclusion.

TRAINING RESTAURANT AND KITCHEN

Students learn in an environment that fosters a high level of engagement and interaction among fellow students and lecturers as well as providing the latest in emerging technologies to support innovative learning.

MULTI-FAITH CHAPLAINCY CENTRE

Located in Rockhampton, the centre is a welcoming space where everyone is invited regardless of their beliefs. Prayer rooms and quiet rooms are also available in each location.

AVIATION HANGAR

Located at CQUniversity Bundaberg, aviation students can learn in a world-class hangar with a comprehensive range of aircraft and receive hands-on exposure to aircraft maintenance, operations and other vital areas.

SPORTS CENTRE

The CQUniversity Community Sports Centre in Rockhampton boasts an Olympic-sized swimming pool, gym and group fitness classes so students can take active steps to lead a healthy lifestyle.

HEALTH CLINICS

The CQUniversity Health Clinics are public access clinics with state-of-the-art health facilities. They allow a practical learning environment for students studying nursing and allied health.

STUDYING AT CQUNIVERSITY

EXCELLENCE IN TEACHING

You will learn in a creative and collaborative approach under the guidance of award-winning academics. Many have consistently been recognised in Australian Awards for University Teaching for outstanding contributions to student learning, conducted by the Australian Government. In fact, CQUniversity is in the top third of Australian universities in 2016. Through their innovative teaching practices, you will gain and develop your critical thinking and problem-solving skills, enabling you to reach your potential and gain a passion and thirst for knowledge.

A LEADER IN ONLINE EDUCATION

Enjoy the flexibility of studying for your degree where and when it suits you. You will have access to advanced online learning technologies via a virtual classroom with academic staff and our online platform UCROO where you can connect with fellow students and find study groups and student mentors.

Some of our courses are 100 per cent online, which means you are not required to attend a residential school on campus in Australia to fulfil course requirements.

INTERNATIONAL STUDENT SUPPORT

Together with the Campus Life Committees and Student Experience teams across the University, we aim to provide ongoing support for all international students from arrival to graduation.

Support services include:

- » pre-arrival information
- » accommodation assistance orientation
- » information on Overseas Student Health Cover (OSHC)
- » student mentor and leadership programs
- » career services
- » confidential counselling and welfare services
- » social activities and student forums
- » care arrangements for students under 18 years of age
- » students with families
- » going home program after completion of studies.

GLOBAL OPPORTUNITIES
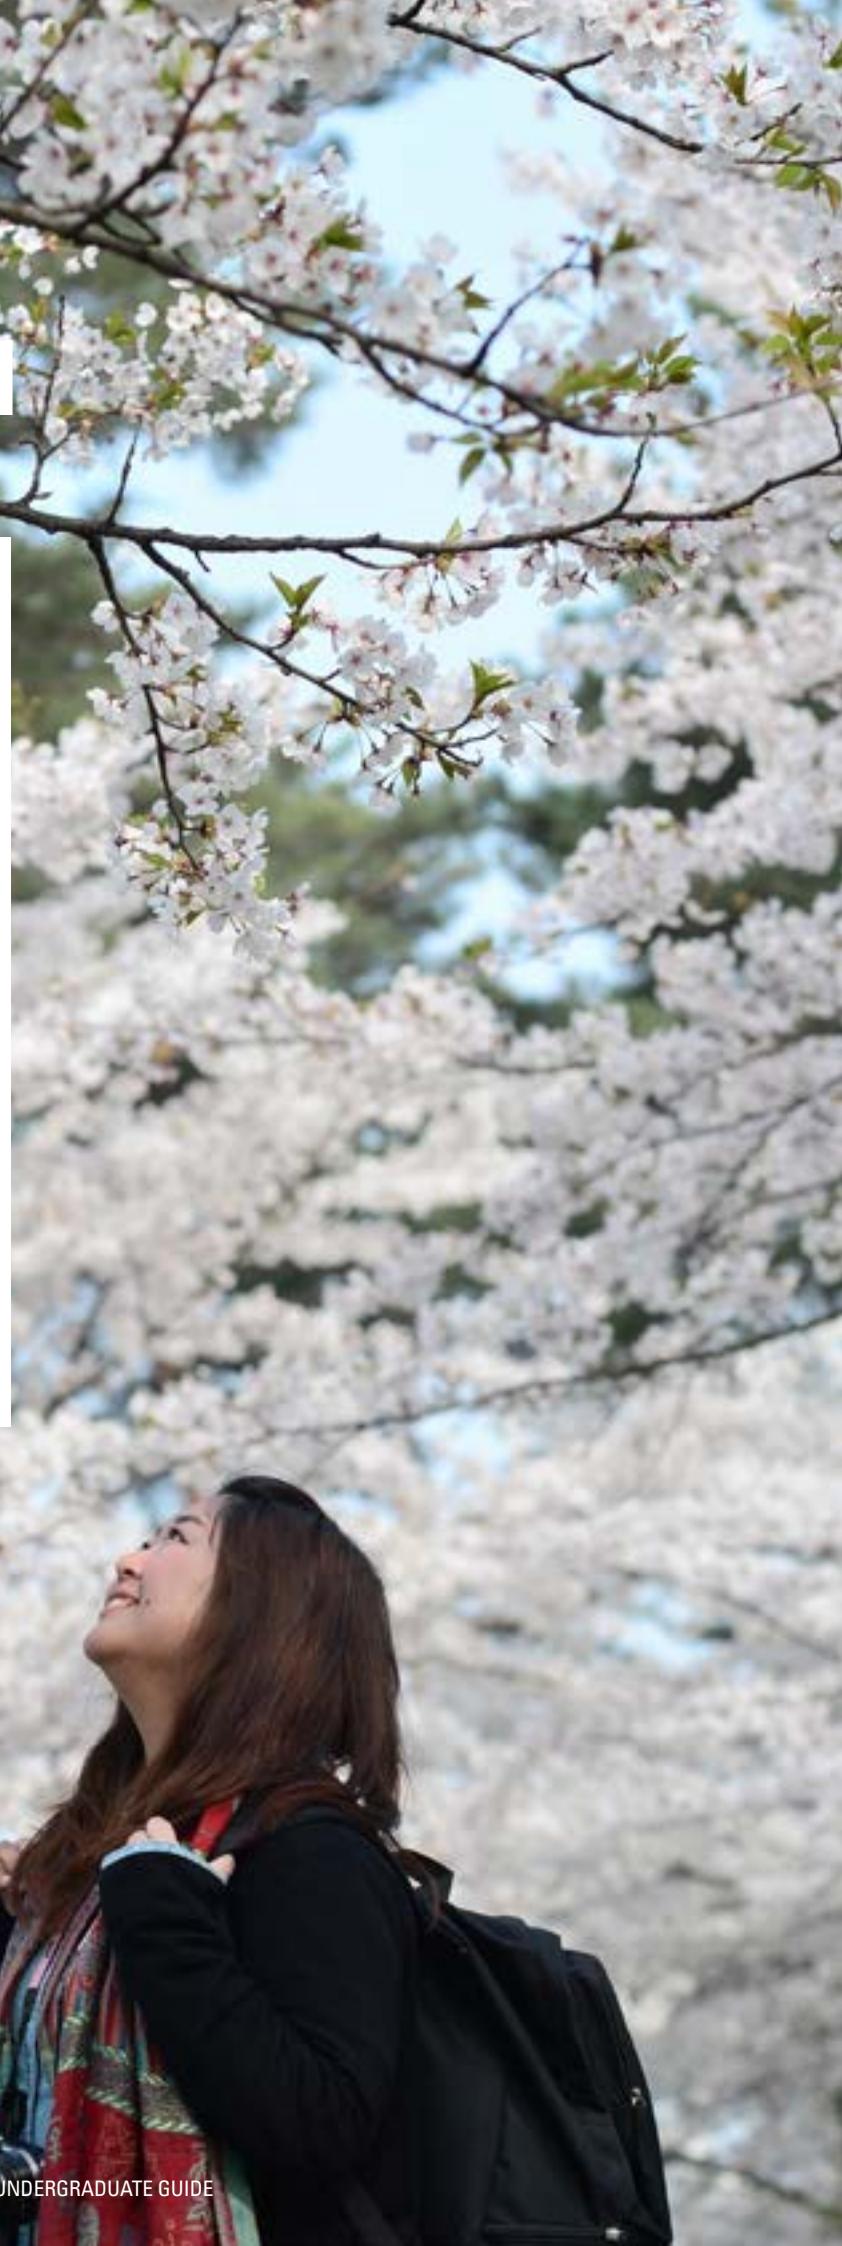

As a CQUniversity student, you have plenty of opportunities to study overseas at renowned universities for one or two terms while gaining credit towards your degree with us through CQUGlobal Outbound — our study abroad and exchange program.

Conversely, CQUGlobal Inbound programs allow students studying at overseas institutions to study for one or two terms at CQUniversity, and gain credits that can be transferred back to your home institution. Short-term options such as our two-week summer and winter program or English study tours are also available.

BENEFITS

» Enhance your employment prospects
» Develop language skills
» Immerse yourself in a different culture
» Travel and make new friends
» Grow your confidence and independence
» Earn credits towards your degree

For more information visit **www.cqu.edu.au/cquglobal**.

STUDENT ESSENTIALS

STUDENT VISA

If you intend to study in Australia, you will require a student visa for the duration of your studies. Once you have received your visa, there are requirements you must meet in order for it to remain valid. The Department of Immigration and Border Protection (DIBP) website provides all information in relation to student visas. For more information visit **www.border.gov.au**.

OVERSEAS STUDENT HEALTH COVER (OSHC)

The University requires that you pay for your OSHC when you pay for your tuition fees. This will ensure that you have health cover upon arrival in Australia. The cost of OSHC will depend on the type of cover you need. Allianz is CQUniversity's preferred provider. For more information and a quick quote visit **www.oshcallianzassistance.com.au**.

WORKING WHILE STUDYING

As a student visa holder, you may work up to 40 hours per fortnight while your course is in session and unlimited hours during term breaks. However, you need to obtain a Tax File Number (TFN). The Australian Tax Office provides information on how to file for a TFN. For more information visit **www.ato.gov.au**.

GETTING AROUND

Getting around by public transport is an affordable and convenient option. Some states provide discounted concessions for international students. For more information visit the following websites:

» New South Wales – **www.transportnsw.info/international-students**
» Queensland – **www.tmr.qld.gov.au** and **www.translink.com.au**
» South Australia – **www.adelaidemetro.com.au/Tickets**
» Victoria – **www.ptv.vic.gov.au/tickets/myki**
» Western Australia - **http://www.transperth.wa.gov.au**.

STUDENTS UNDER 18

If you are under 18 years old when you start your studies, you are required to have an approved guardian until you turn 18 and reside in a CQUniversity approved accommodation. For more information visit **www.cqu.edu.au/studentvisas**.

BRINGING FAMILY

If you wish to bring your family, you must provide evidence that you will be able to support them financially while they are in Australia. There are costs associated with schooling, childcare and health insurance.

LIVING COST

Cost of living varies depending on the location, accommodation type and lifestyle you choose. The table below reflects basic living costs and do not include tuition fees, air tickets, student visa application fees, medical examinations for student visa application, OSHC and study related costs such as textbooks. When you first arrive, you will need to consider establishment costs such as bond payment, advance rent, furniture and other household items. If you have a car, you will need to consider vehicle registration and maintenance costs.

LIVING EXPENSES FOR A SINGLE STUDENT	AVERAGE PER WEEK (AU$)
Accommodation	165 – 440
Groceries and eating out	80 – 280
Utilities	35 – 140
Public transport	15 – 55
Phone and Internet	20 – 55
Entertainment	80 – 150

Source: Study in Australia.

DIBP has financial requirements you must meet in order to receive a student visa for Australia. From 1 July 2016 the 12 month living cost is:

» you – AU$19 830
» partner or spouse – AU$6940
» child – AU$2970.

EXPERIENCE AUSTRALIA

Australia is a safe and modern country, with cities regularly ranked among the best in the world to live and study in. The cities offer vibrancy, cultural diversity, and a generally fast-paced lifestyle. Outside the cities, you can experience a more laid-back environment with a diverse range of outdoor activities and natural landscapes to enjoy.

INTERESTING FACTS

1. Australia is the world's 6th largest country.
2. The name Australia comes from the Latin word 'Australis', meaning southern.
3. The Great Barrier Reef is the world's largest reef system.
4. There are about 225 languages spoken in Australia, making it one of the most multicultural countries in the world.
5. The Kangaroo and Emu are on the Australian coat of arms as neither animal can walk backwards, symbolising a nation that is always going forward.

Spring
September to November
Go kayaking on the Brisbane river
Autumn
March to May

Take in the autumn colours in the Dandenong Ranges, Victoria
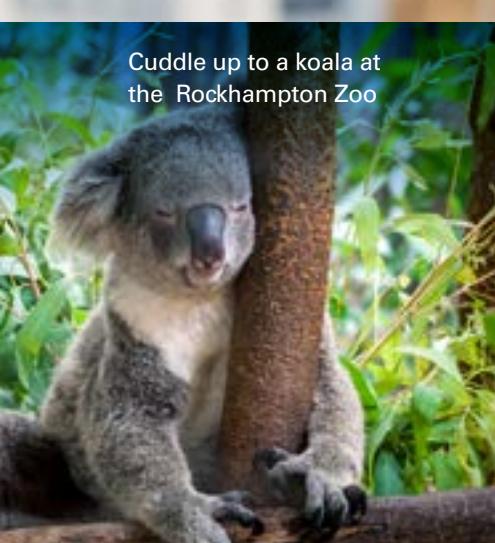

Discover the many festivals in Adelaide

Winter
June to August

Hit the slopes in one of Victoria's great alpine resorts

Hike the breathtaking Blue Mountains in New South Wales

Cuddle up to a koala at the Rockhampton Zoo
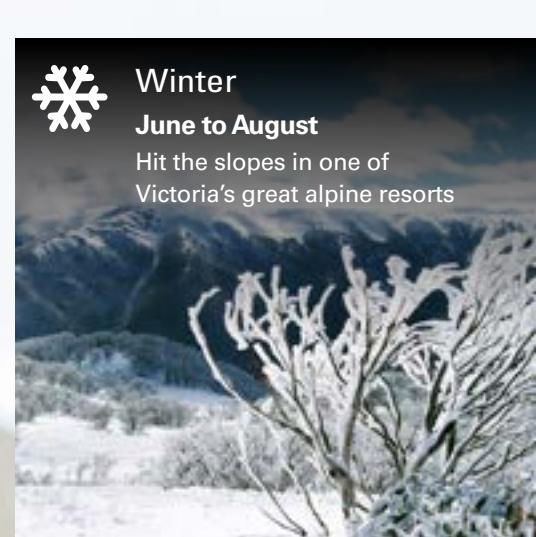

Explore the Great Barrier Reef in Queensland
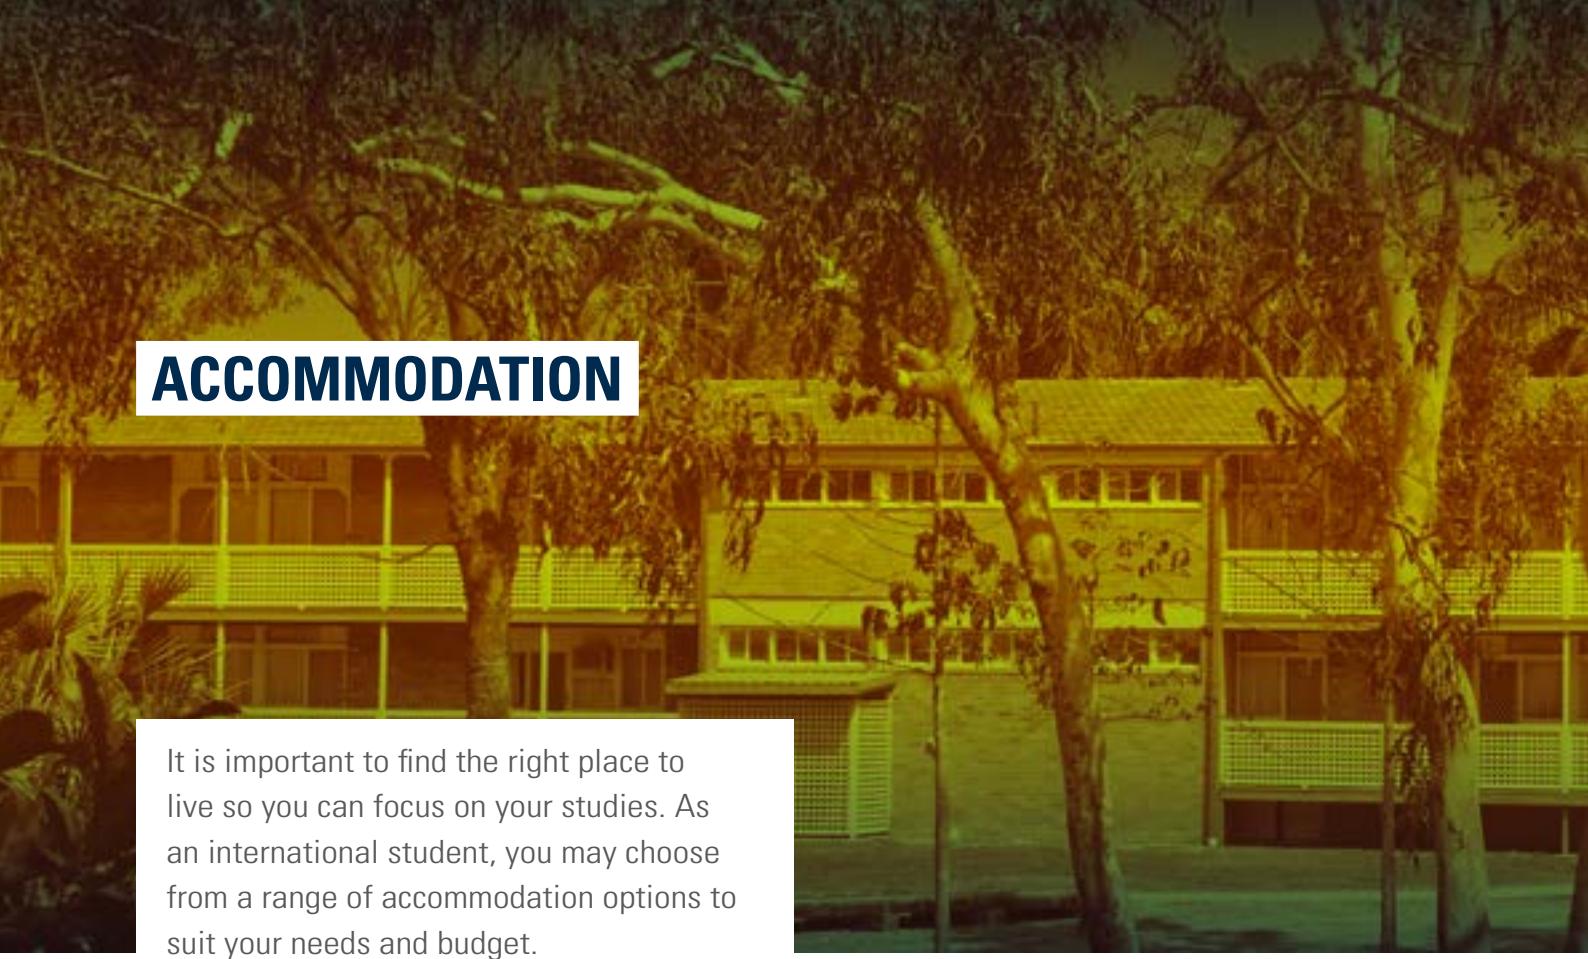

Summer
December to February

Get outdoors and catch the surf in Perth's beautiful beaches

ACCOMMODATION

It is important to find the right place to live so you can focus on your studies. As an international student, you may choose from a range of accommodation options to suit your needs and budget.

HOMESTAY

Our preferred homestay provider is Australian Homestay Network who will facilitate the arrangement and ensure you have a welcoming, safe and enjoyable experience. For more information visit **www.homestaynetwork.org**.

STUDENT ACCOMMODATION

Urbanest is an endorsed provider of student accommodation to CQUniversity students in Brisbane, Melbourne and Sydney. For more information visit **www.urbanest.com.au**.
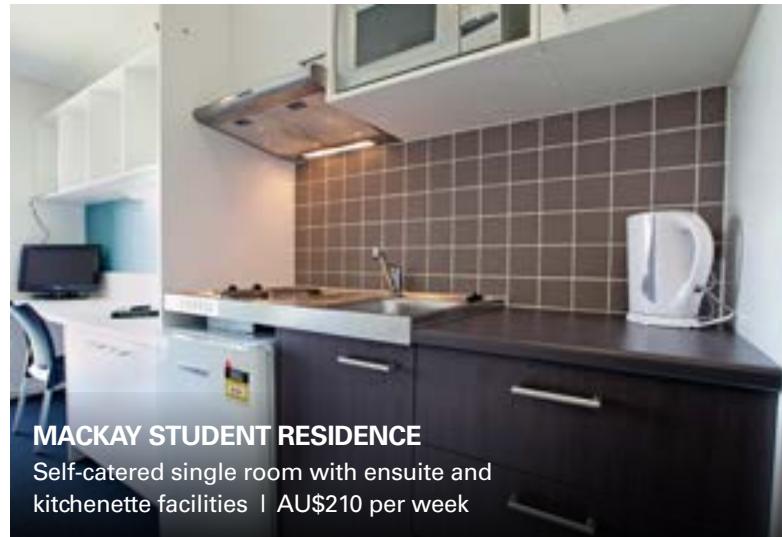

PRIVATE ACCOMMODATION

Off-campus accommodation such as flats, houses and shared accommodation can be found in the private rental market. You may look for these rental properties through property websites such as **www.realestate.com.au** and **www.domain.com.au**.

ON-CAMPUS RESIDENCE

Living on campus provides a great environment to live and study in. It offers ease and convenience to your university life. Benefits include:

» opportunity to make friends from all over the world and local Australian students
» learn about different cultures
» save money and time on travelling to campus – no car or public transport is required
» increased safety with campus security and individually keyed rooms
» opportunity to get involved with social, community and cultural activities
» on-site manager and 24-hour live in staff
» access to Residential Life team for ongoing pastoral care
» reduced fees for gym membership.

MACKAY STUDENT RESIDENCE
Self-catered single room with ensuite and
kitchenette facilities | AU$210 per week

Self-catered single room with ensuite and
shared kitchen facilities | AU$210 per week
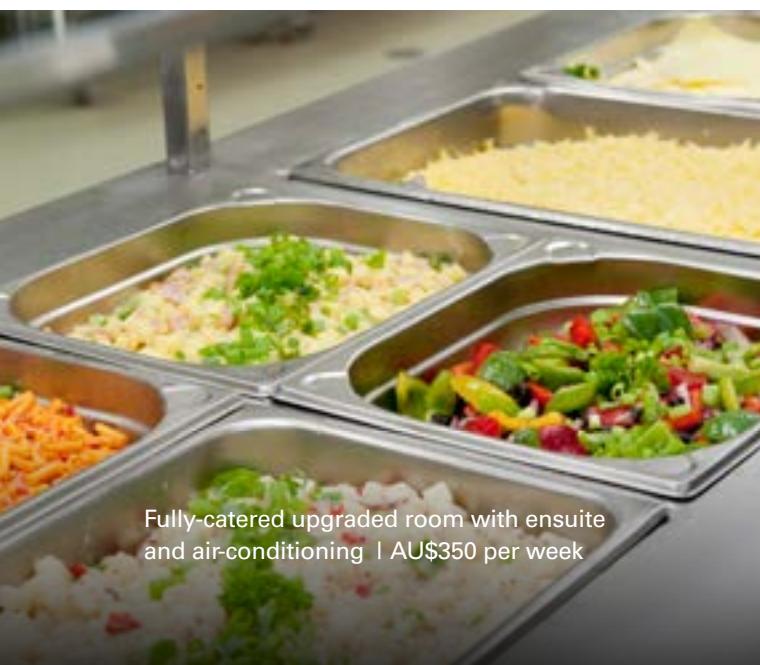

ROCKHAMPTON STUDENT RESIDENCE
Fully-catered standard room with shared bathroom
(not air-conditioned) | AU$290 per week
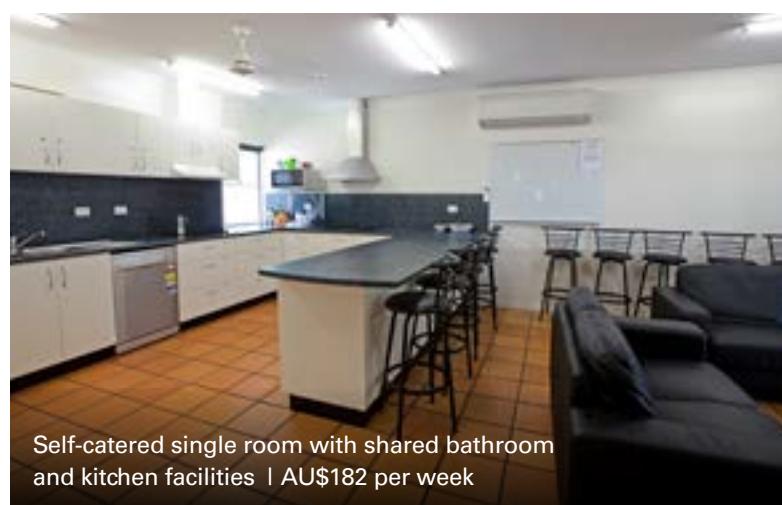

Self-catered single room with shared bathroom
and kitchen facilities | AU$182 per week

Costs are based on 2017 prices and include all utility
bills, wi-fi access and meals in catered options. No
bond is required. An application fee of AU$100 applies
for new students. For more information and to apply
email studentresidences@cqu.edu.au.

Fully-catered upgraded room with ensuite
and air-conditioning | AU$350 per week

PATHWAYS TO A BACHELOR DEGREE

Our certificate and diploma courses provide a pathway into selected bachelor courses at CQUniversity if you do not meet the entry requirements.

WHY CHOOSE A CERTIFICATE OR DIPLOMA COURSE?

» Get a feel of a study area before committing to a bachelor course.
» Choose from a range of pathways into various bachelor courses.
» Gain two or more qualifications.
» Receive credit towards your bachelor course.
» Progress to the relevant bachelor course.

For English pathways, see page 21.
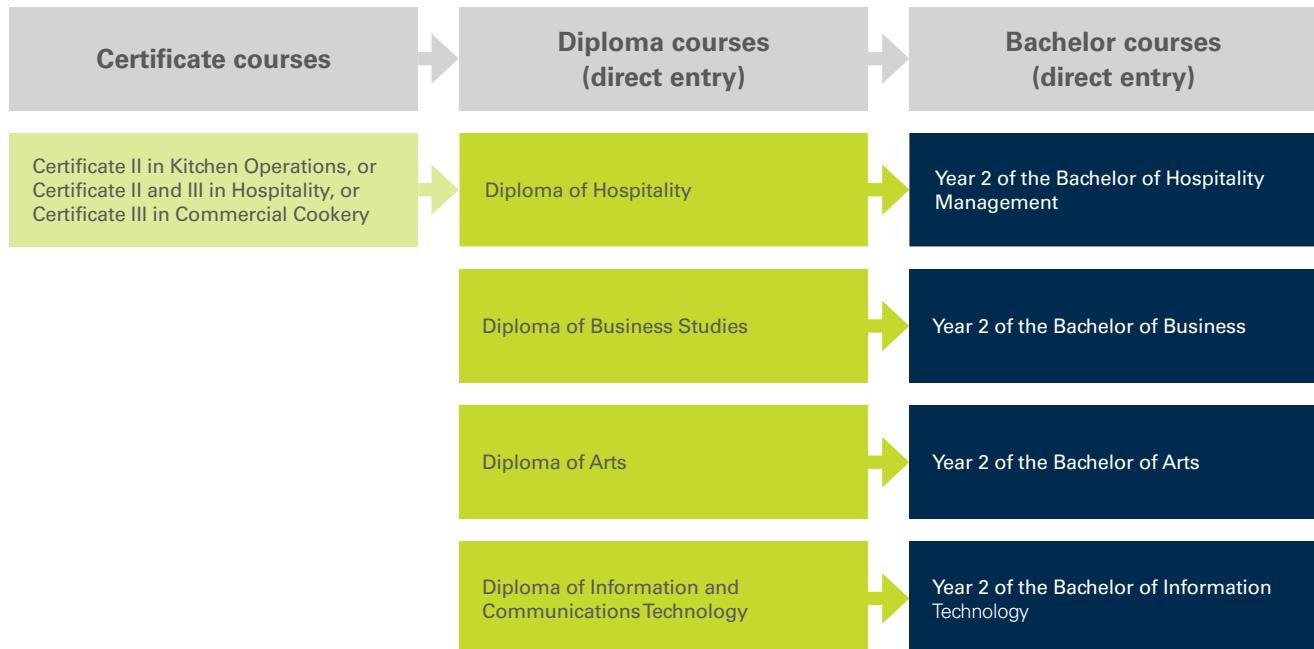

EXTERNAL PROVIDERS

If you already hold a qualification from one of our external providers' institutions, you may use your qualification to gain entry into selected courses at CQUniversity. The following partners are approved to package specific courses enabling a pathway to a CQUniversity course.

» Academia International and Academia Australia
» Australia Pacific College
» Browns English Language School
» Browns Professional
» International Institute of Business and Technology (IIBT) – Perth
» Kaplan International English Cairns
» TAFE NSW
» TAFE Queensland

EDUCATION ROADMAP

ENGLISH

CQUniversity accepts the following English tests:

» International English Language Testing System (IELTS Academic)
» Test of English as a Foreign Language (TOEFL; internet-based)
» Pearson Test of English Academic (PTE Academic)
» Cambridge English: Advanced (CAE) Cambridge English: Proficiency (CPE).

The following are the minimum scores required for entry to most of our courses. Generally test results are valid for two years prior to the date of the applicant's first commencement term. For more information visit **www.cqu.edu.au/englishreq**.

ENGLISH TEST	CERTIFICATE OR DIPLOMA	BACHELOR
IELTS Academic	Overall 5.5 (with no band less than 5.0).	Overall 6.0 (with no band less than 5.5).
TOEFL (internet-based)	Overall 65 (with no score less than 15).	Overall 75 (with no score less than 17).
PTE Academic	Overall 46 (with no score less than 42).	Overall 54 (with no score less than 46).
CAE and CPE	Overall 162 (with no band less than 154).	Overall 169 (with no band less than 154).

Other evidence of English proficiency may be accepted. This includes:

» successful completion of English studies
» study where the medium of instruction was in English at a university or post-secondary school, or
» possess an academic qualification that meets the English requirements.

If you do not meet the English entry requirement, CQUniversity can arrange an appropriate English language course at CQUEnglish.

Some courses require higher scores. They are:

Diploma of Business Studies	IELTS overall 6.0 requirement (with no band less than 5.5) or equivalent.
Bachelor of Education (Early childhood) Bachelor of Education (Primary) Bachelor of Education (Secondary)	IELTS overall 7.5 requirement (with no band less than 7.0 and no band less than 8.0 in Speaking and Listening) or equivalent.
Bachelor of Nursing	IELTS overall 6.5 requirement (with no band less than 6.5) or equivalent.
Bachelor of Paramedic Science Bachelor of Cardiac Physiology	IELTS overall 7.0 requirement (with no band less than 7.0) or equivalent.
Bachelor of Speech Pathology (Honours)	IELTS overall 7.5 requirement (with no band less than 8.0 in Speaking and Listening and 7.0 in Reading and Writing) or equivalent.

Bachelor of Engineering (Honours) and Diploma of Professional Practice (Co-op)	IELTS overall 6.5 requirement (with no band less than 6.0) or equivalent.
Bachelor of Science (Chiropractic)	IELTS overall 6.5 requirement (with no band less than 6.5) or equivalent.
Bachelor of Physiotherapy (Honours) Bachelor of Occupational Therapy (Honours) Bachelor of Occupational Health and Safety Bachelor of Oral Health	IELTS overall 7.0 requirement (with no band less than 7.0) or equivalent.

CQUENGLISH

CQUEnglish language centres are located on our Brisbane, Melbourne, Rockhampton North and Sydney campuses. In addition to providing a range of courses to prepare international students for academic study, they regularly conduct study tours for a diverse range of groups for over 20 years.

ENGLISH STUDY TOURS

Study tours offer the perfect mix of English study and popular tourist activities. A customised study tour can be organised for your group that is tailored to your specific needs. Excursions to local attractions in Australia include the Great Barrier Reef or feeding native Australian animals at a wildlife sanctuary. We have organised study tours for professional groups, government ministries, high school and university students. For more information on study tours visit **www.cqu.edu.au/cquenglishstudytours**.

IELTS PREPARATION AND TEST CENTRE (IELTS)

If you need to prepare for the IELTS exam, the CQUEnglish language centre in Rockhampton North runs IELTS preparation classes. Classes are organised around the contents of a typical IELTS exam and gives you the opportunity to practice your exam skills using IELTS test style materials. The CQUEnglish centre at Rockhampton North is an authorised IELTS Test Centre. Exams are held once a month in Rockhampton and every two months in Mackay and Bundaberg.

Intake T1 – Term 1 (March), T2 – Term 2 (July), T3 – Term 3 (November).

Please note the following important information:

» Fees are in Australian dollars AU$.

» Fees are indicative only and do not cover additional costs such as textbooks, accommodation, visa applications, OSHC, general living etc.

» Fees are based on a full-time study load and the final fee payable will be determined by your selection of units and if any credit was awarded for recognition of prior learning.

» The University reserves the right to amend fees at any time during the course. Fees are reviewed annually and may increase in the following year to enable CQUniversity to continue to provide quality services and facilities to students.

» Courses are subject to change at the discretion of the University.

» It is your responsibility to make yourself aware of the entry requirements and prerequisites of the courses you wish to undertake.

» Annual fee estimates are based on a student studying full time in each of two study periods (terms) in the same academic year.

» International students studying on-campus are able to complete their course under the fee schedule that applied to them at the time of commencement of course (known as 'grandfathering').

» International students can only undertake courses online from an overseas location.

» Courses undertaken online may be studied on a full-time or part-time mode.

» International students studying on-campus in Australia may only take 25 percent of their entire course by online education, and this option cannot be taken in its entirety during a compulsory term (Term 1 and Term 2).

For the latest information on international fees visit **www.cqu.edu.au/internationalfees**.

ENGLISH REQUIREMENTS

	CERTIFICATE OR DIPLOMA	UNDERGRADUATE
IELTS Academic	5.5 (with no individual band score less than 5.0)	6.0 (with no individual band score less than 5.5).

*Courses with this symbol have non-standard English language entry requirements.

For a full list of course variations and accepted English language qualifications please visit **www.cqu.edu.au/englishreq**.

BUSINESS, ACCOUNTING AND LAW

EDUCATION AND HUMANITIES | 33

a contemporary understanding of the human condition and how society operates. This course provides a pathway into the second year of our Bachelor of Arts.

Course Structure

You are required to complete following:

» eight undergraduate units (48 units of credit)
» a minimum of four units must be chosen from the Arts and/or Elective Majors in the Bachelor of Arts
» prerequisites and co-requisites where relevant must be met for each unit.

Arts majors in the Bachelor of Arts

» Geography and Environmental Studies
» History
» Literary and Cultural Studies
» Social Enquiry
» Writing

Please refer to the Bachelor of Arts Handbook entry for a list of units relevant to Majors offered.

English Requirements

Standard entry requirements apply.

BACHELOR OF ARTS

COURSE CODE: CA10	
INTAKES: Term 1, Term 2	
AVAILABILITY: Online	
TERM FEE: 12 840	ANNUAL FEE: 25 680
CRICOS CODE: 003394G	

This course provides you with a varied and multidisciplinary education, as well as the opportunity to gain knowledge in a range of humanities and social sciences disciplines. You will study in depth the way humans recognise, record and debate human practices, meanings and values. You will develop a contemporary understanding of the human condition and how society operates as well gain crucial lifelong learning and transferable generic skills, such as critical thinking and problem solving.

Please note some units require you to attend compulsory residential school or undertake compulsory work based learning.

Course Structure

You are required to complete two majors totalling sixteen units from the following Bachelor of Arts majors.

» Geography and Environmental Studies
» History
» Liberal Arts
» Literary and Cultural Studies
» Social Enquiry
» Writing

In addition to one of the following:

One elective major comprising eight units selected from one of the following:

» Business
» Digital Media
» Journalism
» Language
» Psychology.

Or a general studies major totalling eight units, which can be chosen from any undergraduate course at CQUniversity, provided pre-requisite and co-requisite requirements are met.

English Requirements

Standard entry requirements apply.

ENGINEERING AND BUILT ENVIRONMENT

BACHELOR OF ENGINEERING (HONOURS)

COURSE CODE: CC31

INTAKES: Term 1, Term 2

AVAILABILITY: Bundaberg, Gladstone Marina, Mackay Ooralea, Rockhampton North, Online

TERM FEE:	ANNUAL FEE:
14 760	29 520

CRICOS CODE: 083583G

This course has been redesigned to effectively develop your problem-solving, teamwork and communication skills and incorporates project based learning so you can graduate work ready. The first year of your studies provides a basic understanding of engineering, allowing you to experience each different area of engineering before you choose a particular path to follow. Later in your studies, you will have the flexibility to choose from a number of specialisations including Civil, Electrical and Mechanical.

If you choose to study online, please note this course requires you to attend compulsory residential schools.

Professional Recognition

The Civil, Electrical and Mechanical majors of the Bachelor of Engineering (Honours) are accredited by Engineers Australia. As a graduate, you will be eligible for membership with Engineers Australia as a Professional Engineer. For more information visit **www.engineersaustralia.org.au**.

Course Structure

You are required to complete the following compulsory units and one major.

» Fundamentals of Professional Engineering
» Applied Mathematics
» Engineering Statics
» Engineering Industry Project Investigation
» Materials for Engineers
» Applied Calculus
» Fundamentals of Energy and Electricity

Majors

» Civil
» Electrical
» Mechanical
» Mining
» Mechatronics

English Requirements

Minimum academic IELTS score of 6.0 across all bands and overall.

BACHELOR OF ENGINEERING (HONOURS) AND DIPLOMA OF PROFESSIONAL PRACTICE (CO-OP ENGINEERING)

COURSE CODE: CC32

INTAKES: Term 1

AVAILABILITY: Bundaberg, Gladstone Marina, Mackay Ooralea, Rockhampton North

TERM FEE:	ANNUAL FEE:
15 144	30 288

CRICOS CODE: 083587C

This course allows you to gain hands-on experience in a professional industry environment and be paid while you learn. It features 48 weeks of paid work placement as well as project based learning, allowing you to graduate with relevant and recent industry experience.

Professional Recognition

As a graduate, you will be eligible for membership with Engineers Australia as a Professional Engineer. For more information visit **www.engineersaustralia.org.au**.

HEALTH

BACHELOR OF SCIENCE (CHIROPRACTIC)

COURSE CODE: CB77

INTAKES: Term 1

AVAILABILITY: Brisbane, Mackay Ooralea, Sydney

TERM FEE:	ANNUAL FEE:
15 048	30 096

CRICOS CODE: 075757A

This course aims to build your clinical skills and confidence in diagnosing and management of patients from a wellness perspective. You will learn the history, philosophy, principles and theories of chiropractic and relevant chiropractic psychomotor skills integrated with a knowledge of basic science. You will access state-of-the-art laboratories and undertake work integrated learning in clinics to further enhance your practical experience and employability.

Professional Recognition

This course is recognised by the Chiropractic Board of Australia (CBA). As a graduate, you will be qualified as an Assistant Chiropractor. You will also be eligible for membership with the Chiropractors' Association of Australia (CAA).

Course Structure

You are required to complete the following compulsory units.

- » Foundations of Chiropractic Practice 1
- » Human Body Systems 1
- » Fundamentals of Chemistry
- » Study and Research Skills for Health Science
- » Human Body Systems 2
- » Foundations of Biochemistry
- » Foundations of Chiropractic Practice 2
- » Physics for Health Sciences
- » Foundations of Chiropractic Practice 3

- » Microbiology for Health Care
- » Neuromusculoskeletal Anatomy 1
- » Foundations of Chiropractic Practice 4
- » Medical Pathophysiology
- » Fundamentals of Radiographic Imaging
- » Neuromusculoskeletal Anatomy 2
- » Clinical Assessment and Diagnosis 1
- » Professional Chiropractic Practice 1
- » Systems and Pathology
- » Mental Health and Chiropractic Care
- » Clinical Assessment and Diagnosis 2
- » Clinical Assessment and Diagnosis 3
- » Professional Chiropractic Practice 2
- » Research Literacy for Health Professionals

English Requirements

Minimum academic IELTS of 6.5 across all bands and overall.

BACHELOR OF MEDICAL SCIENCE

COURSE CODE: CG93

INTAKES: Term 1, Term 2

AVAILABILITY: Rockhampton North, Online

TERM FEE:	ANNUAL FEE:
14 544	29 088

CRICOS CODE: 072157E

This course allows you to explore health and disease issues and equips you with practical skills. You can specialise in Clinical Investigation, Nutrition or Pathology. In Clinical Investigation, you will explore four primary disciplines: cardiac sciences, neurophysiology, respiratory sciences and sleep sciences. In Nutrition, you will work with individuals or communities to promote healthy lifestyle choices and prevent diet-related disease. In Pathology, you will gain the technical skills and be equipped to examine bodily samples to assist in making a diagnosis regarding a patient's medical condition. You will also complete a placement in real world settings.

If you choose to study online, please note you are required to attend compulsory residential school.

BACHELOR OF OCCUPATIONAL THERAPY (HONOURS)

COURSE CODE: CB84	
INTAKES: Term 1	
AVAILABILITY: Rockhampton North	
TERM FEE: 14 568	ANNUAL FEE: 29 136
CRICOS CODE: 075754D	

This course equips you with practical skills, enabling you to use specific activities to help patients participate in life roles. It is designed to ensure you are equipped with an underpinning knowledge in professional practice, human body systems, psychology and contemporary healthcare. Your education and training will include occupational therapy units covering a wide range of practice contexts. The course focuses on practical learning experiences so you benefit from industry placements across a range of practice areas including our purpose-built allied health clinic.

Professional Recognition

This course has received conditional accreditation with Occupational Therapy Council (Australia and New Zealand). This is the first stage to achieving full accreditation. As a graduate, you will be eligible to apply for national registration to practise as an Occupational Therapist and work in a variety of settings.

Course Structure

You are required to complete the following compulsory units:

» Introduction to Allied Health Practice

» Anatomy and Physiology for Health Professionals 1

» Anatomy and Physiology for Health Professionals 2

» Fundamentals of Psychology

» Introduction to Occupational Therapy Theory and Practice

» Life Course Development for Health Professionals

» Introduction to Activity and Occupation

- » Research Methods for Therapy
- » Occupational Performance across the Lifespan 1
- » Occupational Performance Across the Lifespan 2
- » Neurological Physiology and Measurement
- » Evidence Based Practice For Allied Health
- » Understanding the Environment
- » Health Promotion Strategies
- » Foundations of Indigenous Learning
- » Occupational Justice: Local and Global
- » Enabling Strategies in Neurological Rehabilitation
- » Enabling Mental Health
- » Rural Sociology for Health and Social Services
- » Enabling Work Participation
- » Professional Practice 1
- » Professional Practice 2
- » Professional Practice 3
- » Developing Occupation-Centred Community Programs
- » Specialisation in Occupational Therapy
- » Transition to Professional Practice.

English Requirements

Minimum academic IELTS of 7.0 with no individual band score less than 7.0 or an Occupational English Test (OET) result of A or B.

BACHELOR OF PHYSIOTHERAPY (HONOURS)

COURSE CODE: CB85	
INTAKES: Term 1	
AVAILABILITY: Bundaberg, Rockhampton North	
TERM FEE: 14 880	ANNUAL FEE: 29 760
CRICOS CODE: 075753E	

This course provides extensive and complex theoretical, clinical, and research experiences to develop advanced knowledge and skills to become a highly competent physiotherapist. It includes a large practical component through both university-based units and clinical education placements in a range of settings, allowing you to put your learning into practice, gain practical work experience and graduate work ready. You will develop the skills to become confident in assessing, treating and managing a range of conditions for people of all ages.

Professional Recognition

This course is accredited by the Australian Physiotherapy Council (APC). As a graduate, you will be eligible for registration with the Physiotherapy Board of Australia.

Course Structure

You are required to complete the following compulsory units:

- » Introduction to Allied Health Practice
- » Anatomy and Physiology for Health Professionals 1
- » Foundations of Physiotherapy Practice 1

TERM FEE: 15 144	**ANNUAL FEE:** 30 288
CRICOS CODE: 072522M	

This course is designed to equip you with health skills to enhance your employability within the growing and in-demand industry of paramedic services. You will develop foundation knowledge in sciences, human body systems, study and research skills and paramedic practice. In addition, your training will focus on disease processes and emergency treatment, and include practical placements in paramedic care, enabling you to graduate work ready and highly sought after by employers.

If you choose to study online, please note you are required to attend compulsory residential school.

Professional Recognition

As a graduate, you will be eligible for membership with Paramedics Australasia (PA) and the Australasian Registry of Emergency Medical Technicians (EMT). This course is also provisionally accredited with the Council of Ambulance Authorities.

Course Structure

You are required to complete the following compulsory units:
» Fundamentals of Chemistry
» Human Body Systems 1
» Study and Research Skills for Health Science
» Foundations of Paramedic Science
» Foundations of Biochemistry
» Foundations of Paramedic Clinical Practice

» Human Body Systems 2
» Principles of Paramedic Practice
» Neurological Physiology and Measurement
» Microbiology for Health Care
» Procedures and Skills in Paramedic Care
» Advanced Electrophysiology and Coronary Care
» Clinical Paramedic Practice 1
» Special Populations in Paramedic Practice
» Clinical Biochemistry
» Medical Pathophysiology
» Mental health for Paramedics and Other Health Professionals
» Clinical Paramedic Practice 2
» Pharmacology in Paramedic Practice
» Pharmacology
» Clinical Paramedic Practice 3
» Consolidated Paramedic Practice
» Paramedic Trauma and Environmental Emergency.

English Requirements

Minimum academic IELTS score of 7.0 across all band scores.

INFORMATION TECHNOLOGY AND DIGITAL MEDIA

DIPLOMA OF INFORMATION AND COMMUNICATIONS TECHNOLOGY

COURSE CODE: CG36

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Adelaide, Brisbane, Cairns, Melbourne, Rockhampton North, Sydney, Townsville, Online

TERM FEE:	ANNUAL FEE:
13 320	26 640

CRICOS CODE: 063667B

This course provides you with foundation knowledge and skills in information communications technology (ICT). You will develop a range of skills in computing and IT, and benefit from access to the latest hardware and software while you learn. It is also a pathway into the second year of our Bachelor of Information Technology.

Course Structure
You are required to complete the following compulsory units and electives.

- » Programming Fundamentals
- » Systems Analysis
- » Networked Infrastructure Foundations
- » Professional Communications Skills for ICT
- » Ethics and Social Issues
- » Database Design and Implementation

Electives
You can select two elective units and may undertake either:

- » both elective units from the ICT Level 1 units listed below
- » one of the units listed below and one elective from any other six unit of credit undergraduate unit offered by CQUniversity
- » two electives chosen from any other six unit of credit undergraduate unit offered by CQUniversity provided all required pre-requisites for those units have been met.

Available units
- » Object Oriented Programming
- » Organisational Behaviour

English Requirements
Standard entry requirements apply.

ASSOCIATE DEGREE OF INFORMATION TECHNOLOGY

COURSE CODE: CA99

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Adelaide, Brisbane, Cairns, Melbourne, Rockhampton North, Sydney, Townsville, Online

TERM FEE:	ANNUAL FEE:
13 320	26 640

CRICOS CODE: 09940C

This course provides you with a foundation to begin your pursuit of a fast paced, challenging and dynamic career in the IT industry. The core units will provide you with a solid grounding in the core body of IT knowledge and skills as defined by the Australian Computer Society (ACS). Upon completion, you can continue your studies by enrolling in our Bachelor of Information Technology where you will receive credits for the units completed.

Professional Recognition
This course is accredited at the Associate Level by the ACS. As a graduate, you may be eligible for membership with the ACS. For more information visit **www.acs.org.au**.

LEGEND

- » Internet Applications
- » Workflow Analysis and Management

Electives

You may select four elective units from any CQUniversity undergraduate course, provided pre-requisite and co-requisite requirements are met.

English Requirements

Standard entry requirements apply.

BACHELOR OF INFORMATION TECHNOLOGY (CO-OP)

COURSE CODE: CG99	
INTAKES: Term 1, Term 2, Term 3	
AVAILABILITY: Adelaide, Brisbane, Melbourne, Rockhampton North, Sydney, Townsville, Online	
TERM FEE: 13 320	**ANNUAL FEE:** 26 640
CRICOS CODE: 077816A	

This course enables you to acquire valuable experience through a paid, supervised, industry placement which is between four to six months duration. Placement is usually undertaken following the successful completion of two years of study. You can major in Application Development, Business Analysis or Network Security, and choose from an extensive range of elective units to tailor your studies to suit your personal and professional needs.

Professional Recognition

This course is accredited at the Professional Level by the ACS. As a graduate, you may eligible for membership. For more information visit **www.acs.org.au**.

Course Structure

You are required to complete the following compulsory units, one major and electives.

- » Systems Analysis
- » Programming Fundamentals
- » Database Design and Implementation
- » Ethics and Social Issues
- » Human-Computer Interaction
- » Networked Infrastructure Foundations
- » IT Project Management
- » Professional Communications Skills for ICT
- » Industry Work Placement

Majors

- » Network Security Major
- » Application Development Major
- » Business Analysis Major

Electives

You may select up to six elective units.

- » Electives may include those recommended below.
- » Electives may include any unit from the Bachelor of Information Technology (Co-Op). majors as listed above provided all prerequisites have been met.
- » Electives may include general units from other CQUniversity degrees.
- » No more than four electives may be Level 1 units.
- » Application Development students will need to take at least one Level 3 elective.
- » Network Security and Business Analysis students will need to take at least three Level 3 electives.

Recommended electives

- » Web Site Development
- » Professional Practice Preparation
- » Foundations of Business Computing
- » Cloud Based Smart Applications Management

English Requirements

Standard entry requirements apply.

BACHELOR OF INFORMATION TECHNOLOGY

COURSE CODE: CQ18	
INTAKES: Term 1, Term 2, Term 3	
AVAILABILITY: Adelaide, Brisbane, Cairns, Melbourne, Rockhampton North, Sydney, Townsville, Online	
TERM FEE: 13 320	**ANNUAL FEE:** 26 640
CRICOS CODE: 003401C	

This course allows you benefit from real world experiences through project based learning. You can choose to major in Application Development, Business Analysis or Network Security, all of which include completion of a project in the final year. This project is team based and requires the production of project management artefacts typically required of a small scale commercial project appropriate to your major. You will also have the option to undertake an internship, instead of completing the project.

Professional Recognition

This course is accredited at the highest level, the Professional Level, by the Australian Computer Society (ACS). As a graduate, you may be eligible for membership. For more information visit **www.acs.org.au**.

Course Structure

You are required to complete the following compulsory units, one major and electives.

- » Human-Computer Interaction
- » Programming Fundamentals
- » Ethics and Social Issues
- » Systems Analysis
- » Database Design and Implementation
- » IT Project Management
- » Networked Infrastructure Foundations
- » Professional Communications Skills for ICT

Majors

- » Network Security
- » Application Development
- » Business Analysis

Electives

You may choose up to eight elective units.

- » Electives may include those recommended below
- » Electives may include any unit from the Bachelor of Information Technology majors provided all prerequisites have been met
- » Electives may include general units from other CQUniversity degrees
- » No more than four electives may be Level 1 units
- » Application Development students will need to take at least one Level 3 elective
- » Network Security and Business Analysis students will need to take at least three Level 3 electives

Recommended electives

- » Web Site Development
- » Professional Practice Preparation
- » Foundations of Business Computing
- » Cloud Based Smart Applications Management

Internship Opportunity

To qualify for the internship, you will need to undertake Professional Practice Preparation as an elective, as this unit will prepare you for working with the internship host. To qualify for an internship you must be in good academic standing, successfully passing the CQUniversity English Language Placement test and completing an interview with the internship host.

English Requirements

Standard entry requirements apply.

DIPLOMA OF DIGITAL MEDIA

COURSE CODE: CC25	
INTAKES: Term 1, Term 2	
AVAILABILITY: Brisbane, Mackay Ooralea, Rockhampton North, Sydney, Online	
TERM FEE: 12 000	ANNUAL FEE: 24 000
CRICOS CODE: 083584F	

This course will prepare you for paraprofessional work within the digital media industries by providing practical skills and relevant theory that can be applied in a variety of fields associated with design, technology and media. Working within multimedia computer laboratories and production studios, you will learn how to create digital media works using industry-standard software tools and techniques. You will learn how to think critically, solve problems, communicate effectively and work independently in response to digital media project demands. This course is a pathway into the second year of the Associate Degree or the Bachelor of Digital Media.

Course Structure

You are required to complete the following compulsory units:

- » Visual Design Fundamentals
- » Digital Video and Audio
- » Illustration and Visualisation
- » Communication in Professional Contexts
- » Foundations of Animation
- » User Experience Design
- » Coding Fundamentals
- » Web Design.

English Requirements

Standard entry requirements apply.

ASSOCIATE DEGREE OF DIGITAL MEDIA

COURSE CODE: CC26	
INTAKES: Term 1, Term 2	
AVAILABILITY: Brisbane, Mackay Ooralea, Rockhampton North, Sydney, Online	
TERM FEE: 12 000	ANNUAL FEE: 24 000
CRICOS CODE: 083582G	

This course can prepare you for paraprofessional work within the digital media industries by providing practical skills and relevant theory that can be applied in a variety of fields associated with design, technology and media. The course's flexible structure allows you to focus on your individual strengths and interests by pursuing specialisations in Graphic Design, Interactive Media, Video and Animation, or a combination of these areas. It is also a pathway into the third year of the Bachelor of Digital Media.

Course Structure

You are required to complete the following compulsory units and two minors.

- » Visual Design Fundamentals
- » Digital Video and Audio
- » Illustration and Visualisation
- » Communication in Professional Contexts
- » Foundations of Animation
- » User Experience Design
- » Web Design
- » Coding Fundamentals

PSYCHOLOGY, SOCIAL WORK AND COMMUNITY SERVICES

BACHELOR OF PSYCHOLOGICAL SCIENCE

③ ⑥ [24] 🖥️

COURSE CODE: CC43

INTAKES: Term 1, Term 2, Term 3

AVAILABILITY: Bundaberg, Online

TERM FEE:	ANNUAL FEE:
12 936	25 872

CRICOS CODE: 084516K

This course aims to build a broad knowledge of psychology and its applications, including theoretical perspectives within the discipline and an appreciation of the social and cultural contexts of psychological research and professional practice. You may continue your studies by enrolling in the Bachelor of Psychological Science (Honours), which will progress you along your study pathway to registration as a psychologist.

Professional Recognition

This course is accredited by the Australian Psychology Accreditation Council (APAC). Successful completion qualifies you to apply for an APAC accredited fourth year honours course in psychology.

Course Structure

You are required to complete the following compulsory units and electives.

» Biological Foundations of Psychology
» Foundations of Psychological Research
» Social Foundations of Psychology
» Current Trends in Psychology
» Research Methods
» Introduction to Data Analysis
» Abnormal Psychology
» Advanced Methods in Psychology
» Individual Differences and Assessment
» Introduction to Human Development
» Personality
» Physiological Psychology
» Critical, Cultural and Social Psychology
» Cognitive Psychology
» Educational Psychology
» Forensic Psychology
» Learning and Behaviour Modification
» Qualitative Research Methodology

Electives

You may select eight elective units from the additional psychology units provided in this course or any undergraduate six credit point unit from CQUniversity provided pre-requisite and co-requisite requirements are met.

English Requirements

Standard entry requirements apply.

BACHELOR OF PSYCHOLOGICAL SCIENCE (HONOURS)

① ② [6] 🖥️ 🏠

COURSE CODE: CC42

INTAKES: Term 1, Term 2

AVAILABILITY: Bundaberg, Online

TERM FEE:	ANNUAL FEE:
12 912	25 824

CRICOS CODE: 084517J

This course is ideal for you if you have completed an accredited three year course in psychology that includes a Level 3 statistics unit, and wish to complete an accredited fourth year in psychology to become eligible for provisional registration as a Psychologist in an Australian State or Territory. You will undertake advanced research training, and have the opportunity to conduct your own original piece of research that may in some cases lead to publication in a professional journal.

If you choose to study online, please note you are required to attend compulsory residential school.

LEGEND

Professional Recognition

This course is accredited by APAC and qualifies you to apply for provisional registration with the Psychology Board of Australia. Provisionally registered psychologists are required to undertake a minimum of two years industry supervision or complete a relevant postgraduate qualification to be eligible for full professional accreditation as a registered psychologist.

Course Structure

You are required to complete the following compulsory units.

» Psychology Research Project A
» Advanced Data Analysis
» Ethics and Professional Issues in Psychology
» Psychology Research Project B
» Professional Practice of Cognitive Therapies
» Advanced Psychological Assessment

English Requirements

Standard entry requirements apply.

BACHELOR OF SCIENCE (PSYCHOLOGY)

COURSE CODE: CF59	
INTAKES: Term 1, Term 2, Term 3	
AVAILABILITY: Online	
TERM FEE: 12 912	ANNUAL FEE: 25 824

In order to be eligible to apply for provisional registration as a psychologist you are required to complete a four year psychology degree or equivalent. This course allows you to complete the equivalent of the first three years of this requirement, equipping you with a range of theoretical perspectives and enhances your knowledge in the discipline of psychology. Successful completion of this course allows you to apply for our Bachelor of Psychological Science (Honours).

Professional Recognition

This course is nationally accredited by APAC as a three year undergraduate course in psychology.

Course Structure

You are required to complete the following compulsory units:

» Psychology Research Project A
» Advanced Data Analysis
» Ethics and Professional Issues in Psychology
» Psychology Research Project B
» Professional Practice of Cognitive Therapies
» Advanced Psychological Assessment.

English Requirements

Standard entry requirements apply.

BACHELOR OF SOCIAL WORK (HONOURS)

COURSE CODE: CC48	
INTAKES: Term 1, Term 2	
AVAILABILITY: Online	
TERM FEE: 12 696	ANNUAL FEE: 25 392

This course combines face-to-face learning (through residential school) and regular online activities to equip you with advanced level of skills including critical reflection, self-directed research and learning, problem solving and teamwork. You will conduct a combination of field education and social research work in your fourth year to contribute to societal change.

Please note there are units with a compulsory residential school.

Professional Recognition

This course is accredited by the Australian Association of Social Workers (AASW).

Course Structure

You are required to complete the following compulsory units:

» Biological Foundations of Psychology
» Sociology of Australian Society
» Contemporary Human Services
» Introductory Aboriginal and Islander History
» Social Foundations of Psychology
» Professional Communication in Human Services
» Human Services and Statutory Contexts
» Theories of Change for Professional Practice I
» Casework and Case Management
» Organisational Practice
» Contemporary Social Policy
» Social Research Methods
» Theories of Change for Professional Practice II
» Social Group Work and Family Work
» Ethical Professional Practice
» Fieldwork Education 1
» Integrating Theory and Practice 1
» Community Practice
» Professional Practice and Mental Health
» Professional Practice with Children, Youth and Families
» Reconciliation in the Workplace and Community
» Advanced Direct Practice
» Professional Leadership in Human Services
» Fieldwork Education 2
» Integrating Theory and Practice 2

English Requirements

Standard entry requirements apply.

TRANSPORT AND SAFETY SCIENCES

BACHELOR OF ACCIDENT FORENSICS

COURSE CODE: CB67
INTAKES: Term 1, Term 2
AVAILABILITY: Bundaberg, Rockhampton North, Online
TERM FEE: 13 152   ANNUAL FEE: 26 304
CRICOS CODE: 075045M

This course allows you develop expertise in the investigation and analysis of the factors that lead to accidents and the interventions required to prevent their occurrence. You will undertake core studies in accident phenomenology, investigation methods, forensic engineering accident analysis, human factors investigation and occupational health and safety. You will complete authentic learning tasks in the state-of-the-art, purpose-built Forensic Accident Investigation Crash Laboratory, which is the only one of its kind in Australia.

Course Structure
You are required to complete the following compulsory units:

» Real World Investigation
» Health and Safety Risk Management
» Introductory Science
» Introductory Occupational Health and Safety
» Socio-technical Systems
» Introduction to Investigative Methods
» Introductory Anatomy and Physiology
» OHS Fundamentals
» Investigative Methods Practice
» Accident Phenomenology
» Safety Science
» Human Factors
» Victim Pathology
» Investigation Domain Contexts
» Forensic Engineering
» Introduction to Forensic Science
» Accident Analysis
» Crash Lab Project 1
» Advanced Occupational Health
» Safety Systems
» Human Factors Investigation
» Learning From Failure
» Accident Forensics Professional Practice
» Crash Lab Project 2.

Professional Recognition
As a graduate, you will be eligible for membership with the Safety Institute of Australia. Upon undertaking field experience, you will also qualify to apply for professional grade membership of the Australian, New Zealand and International Society of Air Safety Investigators.

English Requirements
Standard entry requirements apply.

BACHELOR OF EMERGENCY SERVICE

COURSE CODE: CC60
INTAKES: Term 1
AVAILABILITY: Online
TERM FEE: 13 296   ANNUAL FEE: 26 592

This course is relevant if you work in emergency services, have successfully completed a relevant vocational qualification and wish you to increase your skills and knowledge as an emergency service professional. You will have the option to select from a number of study areas including safety science, community safety or management, which will prepare you for a specialist role.

Course Structure
You are required to complete the following compulsory units and two minors.

» Emergency Services and the Community
» Human Factors
» Introduction to Management
» Introductory Occupational Health and Safety
» Applied Demography
» Community Safety and Education in Action

- » Evaluating Emergency Services Risks
- » Climate Change: Risk and Assessments
- » Contemporary Emergency Services Issues
- » Management of Fatigue Risk

Minors
- » Public Health, Community Safety and Education
- » Safety Science and Fatigue Risk Management
- » Management

English Requirements
Standard entry requirements apply.

BACHELOR OF OCCUPATIONAL HEALTH AND SAFETY

COURSE CODE: CQ26	
INTAKES: Term 1, Term 2	
AVAILABILITY: Brisbane, Bundaberg, Rockhampton North, Online	
TERM FEE: 13 344	**ANNUAL FEE:** 26 688
CRICOS CODE: 085324K	

This course is designed to develop your expertise in the identification of occupational health and safety hazards in the workplace and provides you with a variety of hands-on experiences, including participation in worksite visits and 120 hours of work placement. Your studies will equip you with knowledge, skills and initiatives in the areas of occupational hygiene, workplace rehabilitation, ergonomics, safety and occupational health and safety management.

Professional Recognition
As a graduate, you may be eligible to apply for Chartered Professional Membership with the Safety Institute of Australia once you have completed the appropriate years of service.

Course Structure
You are required to complete the following compulsory units and one minor.

- » Introductory Occupational Health and Safety
- » Health and Safety Risk Management
- » Introductory Science
- » Real World Investigation
- » Socio-technical Systems
- » Introduction to Investigative Methods
- » Introductory Anatomy and Physiology
- » OHS Fundamentals
- » Safety Science
- » Foundations of Health
- » Accident Phenomenology
- » Human Factors
- » Occupational Health and Safety Practice
- » Occupational Health and Safety Law
- » Future Paradigms in OHS A
- » Advanced Occupational Health
- » Safety Systems
- » Future Paradigms in OHS B
- » Prevention Through Design
- » Resilient Organisations

Minors
- » Safety Science
- » Human Factors
- » Public Health
- » Environmental Studies
- » Liberal Studies

TRANSPORT AND SAFETY SCIENCES | **53**

STARTING AT CQUNIVERSITY

ADMISSION PROCESS

DIRECT TO CQUNIVERSITY	THROUGH A CQUNIVERSITY AGENT
SUBMIT YOUR APPLICATION	
Apply online through iStart at **www.cqu.edu.au/international-apply**. There is no application fee.	An agent can assist with lodgement of your application. To locate a CQUniversity agent in your home country visit **www.cqu.edu.au/agents**.
TRACK YOUR APPLICATION	
You will be provided with a username and password in an acknowledgement email. Use these details to login to iStart and track the progress of your application.	Your appointed agent will provide you with updates on the progress of your application.
ACCEPT YOUR OFFER	
To accept your offer, log in to iStart. Check that all details including your full name, course and commencement date are correct in your Letter of Offer. You must make payment and also show proof, such as a receipt for OSHC. If you have a conditional offer, you also need to meet these conditions as outlined on the offer. Please submit any outstanding documents through iStart.	Your appointed agent will receive notification on the outcome of your application. They will contact you to provide you with guidance on how to accept your offer.

RECEIVE YOUR CONFIRMATION OF ENROLMENT

After CQUniversity has received your International Student Contract, processed your payment and all conditions if any have been met, we will issue and email a Confirmation of Enrolment (COE) to you or your agent (if an agent assisted you with your application).

APPLY FOR YOUR STUDENT VISA

Once you receive your COE, lodge an application for your student visa through DIBP at **www.border.gov.au** immediately.

PREPARE FOR YOUR ARRIVAL

Book your flights and temporary accommodation prior to leaving your home country. We also recommend that you have access to funds of approximately AU$1500 to AU$2000 to support yourself when you first arrive.

ATTEND ENROLMENT

Prior to orientation, you must attend enrolment. Enrolment is conducted on campus. During enrolment, you will select units associated with your course and officially enrol in those units at the University.

ATTEND ORIENTATION

Orientation is a compulsory activity for all international students and you should aim to arrive in Australia to attend this. It is usually held in the week prior to term starting.

Orientation is the perfect opportunity to familiarise yourself with the campus and facilities nearby, as well as get to know your lecturers and fellow students. For orientation dates and for more information visit **www.cqu.edu.au/arrival-welcome**.

CELEBRATING STUDENT SUCCESS

"CQUNIVERSITY IS A VERY SPECIAL PLACE FOR ME. I HAVE MADE SO MANY AMAZING FRIENDS FROM VARIOUS COUNTRIES, WHICH MAKES MY LIFE HERE MORE INTERESTING. STUDYING AT CQUNIVERSITY HAS HELPED ME TO GAIN SKILLS, KNOWLEDGE AND NETWORKING OPPORTUNITIES. WORKING AS AN INTERNATIONAL STUDENT AMBASSADOR WITH THE INTERNATIONAL DIRECTORATE HAS ENRICHED MY WORK EXPERIENCE AND PROVIDED ME WITH A BETTER UNDERSTANDING OF THE AUSTRALIAN WORKPLACE. IN ADDITION, CQUNIVERSITY ENCOURAGES STUDENTS TO GET INVOLVED IN SOCIAL INNOVATION THROUGH ENGAGEMENTS WITH INDUSTRY, COMMUNITY AND GOVERNMENT. THIS PROVIDES MORE OPPORTUNITIES FOR ME TO DISCOVER WHAT I REALLY WANT TO BE."

DI ZHANG, CHINA
Master of Professional Accounting

2015 Travelled to Australia to study at CQUniversity

2016 Employed as an International Student Ambassador

2016 Graduated with a Master of Professional Accounting

2017 Gained full-time employment in Melbourne upon graduation

STUDY WITH US

STUDY MODES

On-campus

If you are in Australia on a student visa you must study full time on campus. While in Australia, you are able to undertake some units within your course online provided it is: no more than 25 per cent of your entire course; approved by the University; and not entirely online in a compulsory term.

Online

By choosing to study online, you'll have the flexibility to study a course without needing to visit a campus. If you choose to study online, you may choose part time or full time to study at your own pace. Some courses require you to attend a residential school in Australia for a short period of time.

FULL OR PART TIME STUDY

Full time

For an undergraduate bachelor degree, a standard full-time load consists of four units per term. You can expect a maximum of 16 hours on campus each week, consisting of 4 hours per unit.

Part time

Part-time study is only available to international students who do not live in Australia and are studying online. A part-time study load consists of one or two units per term.

RECOGNITION OF PRIOR LEARNING

If you have previously studied at another university or institution within the last ten years, or have professional experience, you may be eligible for recognition of prior learning (also known as advanced standing, credit exemption and credit transfer). Recognition of prior learning must be applied for at the time of applying for your course. Your qualifications and professional experience will be assessed on a case by case basis. Confirmation of approved credits will be made when you receive an Offer of Admission.

KEY DATES

We offer three terms per year, so you can start your course at the beginning of the year, mid year or towards the end of the year. Term 3 is not compulsory – it is another study option to provide you with the opportunity to start your study at a time more convenient to you, or to fast track your study and get into the workforce sooner.

Term 1 2018	Classes begin	5 March
	Last day to drop units without academic penalty	27 March
	Classes end	1 June
	Exams	7 June – 15 June
	University vacation	18 June – 6 July
